Promotional video for the 4-H summer conference on the OSU campus.

EM Power, 1997; 42:30 minutes; produced by Oregon State University Extension and Experiment Station Communications. Subject is environmental management.

DVD

Wagon Trek Movie and Pictures DVD, 2009.

This DVD was prepared in honor of the 50th anniversary of a 1959 4-H wagon trek from Jacksonville to Corvallis. A 50th reunion gathering of the trek participants took place on June 13, 2009. Bob Kuest and Linda Cornett Sindt produced the DVD; most of the images were provided by Glenn Klein.

Features film footage shot as a newsreel by KOAC-TV and still photographs of a 1959 4-H wagon trek from Jacksonville to Corvallis in commemoration of Oregon's centennial in 1959. The silent film footage (about 11 minutes total) depicts the participants walking on Interstate 5, performing daily maintenance on wagons, attending their horses, and relaxing at various encampments enroute to Corvallis. The photographs on the DVD show 4-H members, parades of the wagon trek through towns along the route, and cooking at the campsites. Background music on the DVD is from a recording of the *Face of Oregon* musical production written by Oregon State music faculty and performed at Oregon State as part of the state's centennial in 1959.

The 225-mile wagon trek was organized by the Jackson County 4-H Empire Builders Club and Extension Agents Glenn Klein and Marilou Garner Perris. The trek took 13 days to complete. Members of the Douglas and Curry County 4-H clubs participated; five wagons and numerous horses made the trek.
