

Milton Harris Papers (MSS Harris)
Series 10. Professional Activities Scrapbook, 1923-1955
Box 12 Folder 02

This scrapbook is comprised of clippings from newspapers and industry publications including *Chemical Week* and *Textile Age*; advertisements, flyers, and programs; postcards and greeting cards; certificates; photographs; and a poem. Many of the items document Harris' professional successes including textile research, business development, and involvement in industry organizations such as the American Chemical Society and the American Institute of Chemists. The scrapbook also includes Harris' 1923 diploma from Lincoln High School in Portland, Oregon and an autographed photo of Bob Hope.
