

Milton Harris Papers (MSS Harris)
Series 10. Professional Activities Scrapbook, 1929-1958
Box 13 Folder 01

This scrapbook is comprised of materials predominately documenting Harris' career from 1951-1958. It includes clippings from newspapers, periodicals, and industry publications such as *Knitted Outwear Times*, *American Dyestuff Reporter*, and *The Textile Engineer* with topics including advancements in textile products, industry events, the acquisition of Harris Research by Gillette Co., and Harris' appointment to Gillette Research Director; programs, photographs, and other ephemera from conferences, lectures, and award ceremonies hosted by the American Chemical Society, the American Institute of Chemists, the Society of Cosmetic Chemists, and other scientific and industry organizations; advertisements, brochures, and other promotional materials for the "Harris" process; and correspondence, memoranda, and press releases. The scrapbook also includes materials documenting moments in Harris' career starting as early as 1929.
