

Kronstad, Warren E., Papers, 1954-2002
Preliminary Container List

Box 1

Correspondence and Subject Files:

Biotechnology
Biotechnology Industry Advisory Committee
Breeder Seed Information
Briskey, Ernest (Dean of the College of Ag. Sciences)
British Broadcasting System (BBC) Program and Visit
Campus Advisory Committee on International Agriculture
Center for Gene Research and Biotechnology (OSU)
Central Oregon Experiment Station
Centro de Investigaciones Regional del Nordeste (CIANO)
Chemical Control (of wheat)
Cooperative Agreements (international research)
Cooperator Data Disease
Dryland Farming Seminar
Former Students
Genetic Resources Customer Focus Group
Germplasm Exchange
Gleanings (newsletter for the Crop Science Dept. Cereal Project and Wheat Research)
Great Plains Crop Management Inc.
Indirect Overhead Cost Recovery and Hyslop Farm Charges
International Center for Agricultural Research in the Dry Areas (ICARDA)
International Maize and Wheat Improvement Center (CIMMYT)
Job Shadow Project (Polk County Partnership Project)
National Small Grains Germplasm Research Facility-Site Assessment
National Wheat Improvement Commission
National Wheat Research Conference
New Initiatives Group Committee
OSU-Turkey Program (U.S. Agency for International Development)
Oregon Wheat Commission
Pacific Northwest Crop Improvement Association
Pacific Northwest Grains Council
Pioneer Hi-Bred International
Plant Genetics Resource Board
Plant Variety Release Workshop
Possible Patent Agreements
Sustainable Agriculture

Box 2

Tennessee Valley Authority

U.S. Wheat Associates
Wasco County Soil and Water Conservation District
Washington State Crop Improvement Association
Western Society of Crop Science Meeting
Western Wheat Quality Lab
Western Wheat Workers

Student Class Notes and Papers

Box 3

Course Materials from Classes Taught at OSU

Box 4

Article Reprints and Publication Drafts
Thesis Drafts and Notes

Box 5

Research Projects and Data

Box 6

Reference Materials

“Food for Thought”
“Patents-Triticale and Oat Genetics”
“Disease Resistance/Mutation Breeding”
“Biometrical Models”
“Germ Plasm: C.I. and P.I. Numbers-Varieties”
“Mutation Cytogenetics”

Box 7

“Milling and Baking” (contains research data)
“Maize/History of Wheat-PNW/World Hunger”
“Wheat Morpho-Development”
“Protein Quality and Quantity”
“Livestock Feeding Quality/Biotechnology”
“Recommended Varieties and Data/Production”
“Malting Quality/Climate”
“Herbicides/Lit Review/Euphytica”
“Growth Regulators (Gametocides)/Greenbug”
“Wheat Cytogenetics/Hybrids”
“General Genetics”

“Wheat Genetics”

Box 8

“Wheat Genetics”
“Techniques-Breeding/Cytological/Biochemical”
“Diseases”
”Drought Resistance/Winter Hardness Policy”
“Disease Resistance”
“General Physiology”
“Cytogenetics/Computers”
“Soil Branch (?)/Dwarfing”
“Genotype-Environmental Interaction”

Box 9

“Wheat Cultural Practices”
“Marketing Ref: Triticale and Oat Cultural Practices”
“Summer Fallow Research”
“Genotype X Environment-International”
“Plant Genetics”
“Genetic Variability”
“Wheat Research-General”
“Quality”
Wheat Genetics
Genome Markers and Mapping
Various Article Reprints organized by author
“Wheat Quality Data”
“Wheat Technology”
“Oregon Agriculture”
“Wheat Production”
“Wheat Varieties Grown”
“Wheat Quality-General”
“Dual Purpose Wheat”
“Quality-Crop Surveys”
“Proteins-General”

Box 10

“Protein/Quality”
“Electrophoresis/Staining”
“Banding Patterns”
“Glutenin-Baking Quality”
“Monoclonal Antibodies”
“Glutenin-Genetics”
“Gliaden-Baking Quality”

“Reprints-Viscosity”
“Reprints-NIRS”
“Reprints-Alpha Amylase”
“Alpha Amylase”
“Sprouting Resistance”
“Wafer Absorption”
“Starch Damage”
“Reprints-Milling”
“Alveograph”
“Yellow Berry Reprints”
“Protein/Germination”
“Reprints-Nutrition”
“Wheat Market Classes”
“Crop Modeling”
“Wheat-Gene Symbols”
Fusarium Head Scab
“Plant Breeding”
“Wheat Research Seminar Articles”

Box 11

Various reports and proceedings from workshops and symposia on wheat and cereal breeding outside the U.S. Among the countries addressed in these publications include China, Korea, and Sudan. CIMMYT projects with OSU and Kronstad are described in some of these publications.

Memorial Service materials, 2000

Kronstad Memorial Conference Room Dedication Materials, 2002

Biographical Materials

Speeches and papers, 1990-1999

Newspaper clippings, articles, and obituaries, 2000
