[unidentified contains many pictures of machinery]

- 1 American Society of Mechanical, Local Section Conference, December 1, 1930; 16x20 oversize box.
- 2 Mechanical Engineering group picture, 1920's; 12x17 oversize box.
- 3 Banquet.
- 4-8 Drainage ditch; west campus, about 1919-20; from Skelton box.
- 9-15 Surveying instruments.
- 16 Identified: Herb Howell, Walter Holt, C.C. Cate, Helen Cowgill, Ralph Beck, Leroy R. Breithaupt, Cy Briggs, ? Seymour, ? Maris, ? Gabrielson, Doc Allen, Ralph Besse, C.L. Long, ? Carpenter, Bob Fowler, Frank Ballard, ? Henderson, ? Hurd, ? Teutsch, Wallace Kadderly.
- 17 Identified: C.C. Vincent, H.P. Barss, M.B. McKay, C.E. Owens, Carl Schuster, S.M. Zeller, Henry Hartman.
- 18-19 Campus Planning Map, 1925.
- 20 Engineering School faculty, March 3, 1926.
- 21 Dr. Yunker.
- 22 Engineering School faculty, March 1926; names listed on back.
- 23 Electrical Engineers, class of 1947.
- 24 Electrical Engineers, class of 1961.
- 25-26 1st sound system loud speakers used to broadcast games, 1930's.
- 27 Early radio set up.
- 28 First electronic score board, OSC.
- 29 Display of long distance telephone calls.
- 30 Display on radio organ and television and telephone.
- 31-34 Engineering labs, 1960's.

35-43 Pumice pits, Bend, Oregon, ca. 1950.

[44-130 are lantern slides]

44 Autogyro ca. 1926; over New York City
