

Woody Holderman Photographs (P 263) - Slides

Page	Slide	Slide No	Creek	River	Lake	Subject	Additional Notes	Date
1	1	102		Siletz River		Steelhead caught on Siletz		19699999
1	2	109		Siletz River		trapping summer steelhead, Siletz Fish Ladder		99999999
1	3	104	Buck Creek	Siletz River		mouth of Buck Creek, silt coming into river.		19699999
1	4	105	Buck Creek	Siletz River		Buck Creek after / large logs left in place.		19721099
1	5	106	Buck Creek	Siletz River		after / Mouth of Buck Creek, GP work		19721099
1	6	103	Buck Creek	Siletz River		logging on Siletz, see highline at bottom		19721099
1	7	107	Eagle Creek	Siletz River		North Fork of Siletz, before		19719999
1	8	108	Eagle Creek	Siletz River		North Fork of Siletz		19719999
1	9	101		Siletz River		logging on Siletz/ stump		19699999
1	10	110		Siletz River		most logging Siletz, GP		19699999
1	11	111	Gravel Creek	Siletz River		trash below logging		19699999
1	12	112		Siletz River		logging debris		19699999
1	13	113		Siletz River		logging debris / above Valsetz Fish Ladder		19589999
1	14	114		Siletz River		logging on Siletz / high line		19589999
1	15	115		Siletz River		logging on Siletz		19699999
1	16	116		Siletz River		logging on Siletz		19699999
1	17	117		Siletz River		logging on Siletz / stump in river, see highline bottom left		19699999
1	18	118		Siletz River		logging on Siletz / steep ground		19699999
1	19	119	North Fork	Siletz River		North Fork of Siletz, Valsetz Fish Ladder, trees fell into fish ladder as a result of logging. It needed to be closed.		99999999
1	20	120	North Fork	Siletz River		North Fork / 3 miles above boulder creek		19690699
2	1	201		Siletz River		Valsetz Fish Ladder, entrance logging debris in opening		19589999
2	2	202		Siletz River		looking down stream of Valsetz Fish Ladder / logging debris		19589999
2	3	203		Siletz River		Looking into entrance Valsetz Fish Ladder / logging debris		19589999
2	4	204		Siletz River		looking down into the Valsetz Fish Ladder, damaged cement wall		19581299

Woody Holderman Photographs (P 263) - Slides

2	5	205		Siletz River		looking at face of Valsetz Fish Ladder, with cable for crossing.		19589999
2	6	206		Siletz River		entrance to Valsetz Fish Ladder		19600199
2	7	207		Siletz River		Valsetz Fish Ladder		19600199
2	8	208	Gravel Creek	Siletz River		small culvert - coho enter to ditch, see center right		19670199
2	9	209	Gravel Creek	Siletz River		ditch along gravel creek, possible flood situation.		19670199
2	10	210		Siletz River		mud coming from road		99999999
2	11	211	North Fork	Siletz River		sky car / North Fork of Siletz		99999999
2	12	212	North Fork	Siletz River		North Fork of Siletz		99999999
2	13	213	North Fork	Siletz River		North Fork of Siletz, slash		99999999
2	14	214		Siletz River		a summer steelhead / Siletz Fish Ladder		99999999
2	15	215	North Fork	Siletz River		North Fork / 3 miles above boulder creek	doesn't know who or what	19690699
2	16	216	North Fork	Siletz River		North Fork of Siletz	doesn't know who or what	99999999
2	17	217	North Fork	Siletz River		North Fork of Siletz		99999999
2	18	218	North Fork	Siletz River		sky car / North Fork of Siletz		99999999
3	1	301	Bear Creek	Siuslaw River		slide from canyon	doesn't recal picture	19721199
3	2	302	Bear Creek	Siuslaw River		before		19721199
3	3	303	Bear Creek	Siuslaw River		after, cleaned with cat in stream bed		19721199
3	4	304	Bear Creek	Siuslaw River		cat working possible Dwayne Coop		19721199
3	5	305	Sandy Creek	Siuslaw River		beaver dam before / Sandy Creek, trib of Siuslaw		19640199
3	6	306	Sandy Creek	Siuslaw River		beaver dam after blast/ cleaned out with cat.		19640199
3	7	307	Bear Creek	Siuslaw River		Oxbow burn area		99999999
3	8	308	Bear Creek	Siuslaw River		Oxbow burn area		99999999
3	9	309	Wilhelm Creek	Siuslaw River		lower falls		99999999
3	10	310		Siuslaw River		removing jam on Siuslaw before	Jay T. Oldham contractor	19620899
3	11	311		Siuslaw River		shovel working on Siuslaw River, highwater moved small debris		19620899
3	12	312		Siuslaw River		after removal of jam on Siuslaw		19620899
3	13	313		Siuslaw River		old R.R. tresle on Siuslaw, hangs up wood		19620899
3	14	314		Siuslaw River		old R.R. tresle on Siuslaw, hangs up wood		19620899
3	15	315		Siuslaw River		shovel working on Siuslaw River	Jay T. Oldham	19620899

Woody Holderman Photographs (P 263) - Slides

3	16	316		Siuslaw River		typical jam on Siuslaw	Jay T. Oldham	19620899
3	17	317		Siuslaw River		shovel picking up large log, looking for loading pictures		19620899
3	18	318		Siuslaw River		1 1/4 yrd shovel, debris for burning		19620899
3	19	319		Siuslaw River		typical jam on Siuslaw		19620899
4	1	401		Siuslaw River		Oxbow fire		19660999
4	2	402		Siuslaw River		Oxbow fire		19660999
4	3	403		Siuslaw River		Oxbow fire		19660999
4	4	404		Siuslaw River		Oxbow fire / yarding tower		19660999
4	5	405		Siuslaw River		Oxbow fire / equipment, burned shovel, spar & yarder	after fire really quiet.	19660999
4	6	406		Siuslaw River		Oxbow fire / logging bridge		19660999
4	7	407		Siuslaw River		Oxbow fire / killed deer		19660999
4	8	408		Siuslaw River		Oxbow fire / killed deer		19660999
4	9	409		Siuslaw River		Oxbow fire		19660999
4	10	410				Mount Mazama just before the destruction of its summit. From the painting by Paul Rockwood.		
4	11	411				Mount Mazama just after the destruction of its summit. From the painting by Paul Rockwood.		
5	1	501	Middle Creek	Coquille River		Sumerlin place		19620499
5	2	502	Middle Creek	Coquille River				99999999
5	3	503	Middle Creek	Coquille River		hill log jam on North Fork of Coquille		99999999
5	4	504	Middle Creek	Coquille River		wind machine		19620499
5	5	505	Middle Creek	Coquille River		lone pine bridge		19620499
5	6	506	Middle Creek	Coquille River		lone pine bridge		19620499
5	7	507	Middle Creek	Coquille River		burning log jam on Middle Creek		19620499
5	8	508	Middle Creek	Coquille River		burning log jam on Middle Creek		19620499
5	9	509	Middle Creek	Coquille River		3 of 6 piles of debris moved from Sumerlin jam		99999999
5	10	510	Middle Creek	Coquille River		Brewer jam		99999999
5	11	511	Middle Creek	Coquille River		Sumerlin jam		99999999
5	12	512	Middle Creek	Coquille River		Freemans - yarder & cat, Freeman worked to slow, Storing & Phillips, this operator was excellent, they worked fast and had better equipment.		99999999
5	13	513	Middle Creek	Coquille River		Sumerlin jam / North Fork / before		99999999
5	14	514	Middle Creek	Coquille River		crane & 70' boom shovel / Sumerlin jam		99999999
5	15	515	Middle Creek	Coquille River				

Woody Holderman Photographs (P 263) - Slides

5	16	516	Middle Creek	Coquille River		Brewer jam on Middle Creek / before		99999999
5	17	517	Middle Creek	Coquille River		Brewer log jam after removal		99999999
5	18	518	Baker Creek	Coquille River		looking upstream at 12' culvert /		99999999
6	1	601	Middle Creek	Coquille River		Pointer-Shields jam		99999999
6	2	602	Middle Creek	Coquille River		Pointer-Shields jam		99999999
6	3	603	Middle Creek	Coquille River		Pointer-Shields jam, taken from bridge		99999999
6	4	604	Middle Creek	Coquille River		Pointer-Shields jam, see salvage lumber		99999999
6	5	605	Quartsville Creek	South Santiam		Trib to Quartsville Cr, see silt		19710799
6	6	606	Quartsville Creek	South Santiam		Road building on Trib to Quartsville Creek		19710799
6	7	607	Quartsville Creek	South Santiam		Boulder Creek Trib of Quartsville Creek		19700499
6	8	608	Quartsville Creek	South Santiam		Boulder Creek Trib of Quartsville Creek		19700499
6	9	609	North Fork	Trask River		North Fork of Trask River		19630399
6	10	610	North Fork	Trask River		Middlde F. of Trask River		19630399
6	11	611	Middle Fork	Trask River		Middlde F. of Trask River - steep ground, large jams.		19630399
6	12	612	Lake Creek	Siuslaw River		Trib of Fish Creek Trib of Lake Creek Before.	below Triangle Lake	99999999
6	13	613	Lake Creek	Siuslaw River		after removal of log jam - Trib of Fish Creek	below Triangle Lake	19620899
6	14	614	Lake Creek	Siuslaw River		Rubber tired skidder working	below Triangle Lake	99999999
6	15	615	West Branch	Hood River		silt on West Branch of Hood River.		99999999
6	16	616	West Branch	Hood River		West Branch of Hood River.		99999999
6	17	617	West Branch	Hood River		after		99999999
6	18	618	West Branch	Hood River		log jam - West Branch - Hood River./ jammed culvert, lower center log jam behind.		99999999
7	1	701	Big Creek	Smith River		Log Jam		19620899
7	2	702	Vincent Creek	Smith River		crane working, Oldham contractor		19620499
7	3	703	Vincent Creek	Smith River		doesn't recall		19620499
7	4	704		Smith River		Smith River. Falls		19620899
7	5	705	Drift Creek	Alesea River		Drift Creek - could have been a buffer strip left, don't remember		19719999
7	6	706	Drift Creek	Alesea River		loggin operation		19719999
7	7	707	Drift Creek	Alesea River		Drift Creek - could have been a buffer strip logging		19719999

Woody Holderman Photographs (P 263) - Slides

7	8	708	Drift Creek	Alsea River		Drift Creek jam, see equipment left, but doesn't recall.	19650199
7	9	709	Leitel Creek		Tahkenitch Lake	before, not a Game Commision project.	19699999
7	10	710	Leitel Creek		Tahkenitch Lake	before	99999999
7	11	711	Leitel Creek		Tahkenitch Lake	cleaning	19699999
7	12	712	Leitel Creek		Tahkenitch Lake	burning	19699999
7	13	713	Leitel Creek		Tahkenitch Lake	Lietel Creek After 1 year, dark picture	99999999
7	14	714	Little North Fork	Wilson River		Road built on top of log jam - North Fork - Wilson River.	19601299
7	15	715	South Fork	Wilson River		South Fork of Wilson River.	19639999
7	16	716	South Fork	Wilson River		South Fork of Wilson River.- steelhead	19639999
7	17	717	Little North Fork	Wilson River		log jam	19601299
7	18	718	Little North Fork	Wilson River		log jam on North Fork of Wilson River.	19601299
7	19		Fish Creek			after removal of log jam on trib of Fish Creek	99999999
8	1	801	Lobster Creek	Alsea River		cat in stream	19630199
8	2	802	Five Rivers	Alsea River		Fish ladder on Five River. - Trib to Alsea River.	19640199
8	3	803		Alsea River		Slide on flood above Alsea hatchery	19700499
8	5	804	Fall Creek	Alsea River		turning logs - shovel loading truck	19700499
8	6	805	Fall Creek	Alsea River		sky car, turning logs, highline	19700499
8	7	806	Fall Creek	Alsea River		sky car, highline	19700499
8	8	807	Fall Creek	Alsea River		sky car and yarder	19700499
8	9	808	Clear Creek	Trask River		shovel & cat, better slide	99999999
8	10	809	Clear Creek	Trask River		shovel & cat, Clear Creek	99999999
8	12	810			Triangle Lake	Litter - Triangle Lake, bedrock left by swimmers.	19700699
8	13	811		Bandon		Bandon Boat ramp before blasting channel	19650199
8	14	812		Bandon		boat ramp before	19650199
8	15	813		Bandon		after blast boat ramp Bandon	19650199
8	17	814	Wiley Creek	South Santiam		falling crew working on tree - Willey Creek	99999999
8	18	815	Wiley Creek	South Santiam		this tree is falling - logging operation on Wiley Creek	19589999
8	19	816	Wilhelm Creek	Siuslaw River		Lower Wihelm Falls	19609999
8	20	817	Wilhelm Creek	Siuslaw River		Upper Wihelm Falls	19609999
9	1	901			Trillium Lake	Trillium Lake after shot	19660899
9	2	902			Trillium Lake	Trillium Lake before	19660699

Woody Holderman Photographs (P 263) - Slides

9	3	903			Trillium Lake	Trillium Lake blasting ditch		19660699
9	4	904			Trillium Lake	Trillium Lake after shot, to build channel	Woody & BLM man	19660899
9	5	905			Trillium Lake	Trillium Lake after shot, channel		19660899
9	6	906			Trillium Lake	Trillium Lake - setting powder		?
9	9	907			Elbow Lake	Ditching before - Elbow Lake		19601299
9	10	908			Elbow Lake	Ditching - after blasting on Elbow Lake		19601299
9	11	909			Elbow Lake	Trib to Elbow Lake 1 year after ditching was shot		19620499
9	12	910			Elbow Lake	Trib to Elbow Lake Gravel 1 year later		19620499
9	13	911	Salmonberry	Nehalem River		1. North Fork of Salmonberry River.		99999999
9	14	912	Salmonberry	Nehalem River		2. North Fork of Salmonberry River.		99999999
9	15	913	Salmonberry	Nehalem River		3. North Fork of Salmonberry River.		99999999
9	16	914	Salmonberry	Nehalem River		Wolf Creek Log jam Trib Salmonberry River.		99999999
9	17	915		Kilchis		log jam on Kilchis River. Before removal		19609999
9	18	916		Kilchis		removing log jam on Kilchis River./ see cat in river		19609999
9	19	917		Kilchis		Kilchis River. After removal of log jam		19609999
9	20	918		Kilchis		log jam after removal on Kilchis River.		19609999
10	1	1001	Gravel Creek	Siletz River		cleaning Gravel Creek, GP work		19589999
10	2	1002	Gravel Creek	Siletz River		track loader Gravel Creek		19589999
10	5	1003	Gravel Creek	Siletz River		Georgia Pacific		99999999
10	6	1004	Gravel Creek	Siletz River		Georgia Pacific		99999999
10	7	1005	Gravel Creek	Siletz River		Georgia Pacific		99999999
10	9	1006			Siltcoos Lake	cutting off piling with powder - Siltcoos Lake, used a ring		19640199
10	10	1007			Siltcoos Lake	Piling before cut off - Siltcoos Lake		19640199
10	13	1008		Umpqua River		logging balloon - Umpqua River.		19670199
10	17	1009	Mill Creek	Yamhill River		Mill Creek So Comhill		99999999
11	9	1108				beaver dam blast		99999999
11	13	1109				old beaver dam before		19640199
11	14	1110				beaver dam after		19640199
11	17	1111				before ditching Hemlock Meadows, near Mt Hood		19620499
11	18	1112				after ditching Hemlock Meadows, wanted to open outlet to make habitat available.		19620499
