Audio-Visual Presentations

Introduction to Grasses (20004)

Introduction to Legumes (20005)

Environmental Awareness – Introduction (31001) “13 slides missing”

Environmental Awareness – Forest (31002) “10 slides missing”

Environmental Awareness – Inland Water (31003) “17 slides missing”

Environmental Awareness – Farm (31004) “17 slides missing”

Environmental Awareness – Town and City (31005) “one slide missing”

Environmental Awareness – Marine (31006) “3 slides missing”

Oregon Wild Flowers (31007) “one slide missing”

The Will (31009)

4-H Entomology: Exploring the Curious World of Insects (32100) “one slide missing”

Wildlife for All (38002)

Man and Wildlife – Man the Hunter (38006) “5 slides missing”

Man and Wildlife – Endangered Species: How and Why (38007)

John James Audubon (38008)

Birds of Sea and Shore (38012)

Wildlife and Its Environment (38014)

Box 3

Newspaper Clippings, 1971-2001

Annual 4-H Youth Development Reports, 1996-1998

Box 4

Oregon 4-H Clover: Guide to Oregon's 4-H Youth Development Programs, 2001/02-

2008/09 (some of the editions are in both English and Spanish)

Vinyl Sound Recording: A Pet is a Special Friend, 1973 (a sound track for an audio-

visual presentation, the slides for which were transferred in an earlier accession-

2008:036.)

Boxes 5 and 6

Today's Techniques for Today's Fabrics: Kits A and B, 1978 (Tabletop display panels

containing text and cloth samples that depict different types of hems, seams, and

facing. Housed in two suitcases residing on two shelves.)

Slide Presentations:

Passive Solar-New Homes #1 (with a cassette)

Indoor Air Quality

AAHX Installation Guidelines

Heating Water with a Wood Stove

DSHW #1 (air leakage prevention)

Solar Space Heating for Existing Homes

Energy Saving for Real Estate #1

"Thermovision" and Ceiling Insulation

Super Efficient Existing Homes: Ceilings and Floors

New Housing-Interior and Exterior Views (Chicago suburban subdivision?)

Window Treatments #1 and #2

Passive Solar Energy-New Mexico and Oregon Housing

Metering Your Money

Lighting

ALC-General (images of manufactured home construction)

Moisture Program

Windows Program

Thermal-Imaging and Air Leakage

Flow/Dams/Water Wheels

“Headings” (Slides with text, graphs, and photographic imagery for various presentations on hydroelectric power, survey level and rod use, coal fired plants, induction generators)

Prints and Negatives in Envelopes (29 in all), 1981-1984

(Depicts Various Extension Energy Program Staff, Research, and Events. Including: Low-Flow Shower Head Studies, the Tera One Energy Conservation Laboratory, Quarterly Program Planning Meetings, Master Conserver Seminars, Weatherization Seminar, Solar and Wood Water Heating Studies, Solar Dog House, Benton County Solar Tour, Wind Power Research, Wood Heating Seminar, Super Good Sense Workshops, Energy Real Estate Seminar, Rock Springs Solar Swimming Pool)

Prints and Negatives in Folders:

Site Built Structures (houses; apartment bldg.) Ductwork and Insulation Details,

Staff Retreat/Conference, undated (Canada?)

Portraits Shots (of staff?) 1985

Box 3

Manufactured Homes: The Construction Process with Insulation and Ductwork Details, 1992- 1995
