

Series Outline

Subgroup 1. School of Veterinary Medicine, 1923-1969

Series I. Class projects from Veterinary Medicine Classes, 1949-1969

Series II. Translations, 1923-1929

Subgroup 2. Veterinary Diagnostic Laboratory, 1948-1976

Series I. Reports, 1948-1976

Series II. Correspondence and Administrative Records, 1952-1975

Detailed Description of the Collection

Subgroup 1. School of Veterinary Medicine, 1923-1969

Series I. Class projects from Veterinary Medicine Classes, 1949-1969

Box

- 1 "Swine Erysipelas," by James R. Harr, 1958
 - 1 "Avian Encephalopathy," by Ramsay George Burdett, 1969
 - 1 "Coccidiosis in Chickens," by Wm. E. Babcock, circa 1950
 - 1 "Erysipelothrix Rhusiopathiae Infections," by John W. Osebold, circa 1949
- #### Series II. Translations, 1923-1929
- 1 "Influence of the Reaction of the Soil, Especially on the Continued Development of Erysipelas (Red Murrain) on Musisepticus Bacillus," by Erich Hess, 1923 [translation by Mary E. Lewis, 1923-1924]
 - 1 "The Erysipelas Bacillus, Morphology and Biology," by Dr. H.V. Preisz, 1927-1928 [translation by Mary E. Lewis, 1929]
 - 1 "The Digestion of Poultry," by Herausgegeben Von Ernst Mangold, n.d., translation by Von Mook, undated

Subgroup 2. Veterinary Diagnostic Laboratory, 1948-1976

Series I. Reports, 1948-1976 ([noted as Series 8 on microfilm])

- Reel**
- 1.1-1.8 Annual Progress Reports, 1948-1955 ([noted as Reel 7 on microfilm])
 - 1.9 Diagnostic & Testing Report #211, 1954-1955
 - 1.10 Annual Progress Report, 1956
 - 1.11 Procedures and information on reporting projects, 1955-1956
Annual Progress Reports, 1955-1957
 - 1.12 Project #13-10, 1956
 - 1.13 Project #24, 1956
 - 1.14 Project #25, 1956
 - 1.15 "Poultry Disease Report," Project #27 and #18, 1955
 - 1.16-22 Project #27-2 to #27-7, 1955-1956
 - 1.23-24 Project #135-136, 1956
 - 1.25 Project #175, 1956-1957
 - 1.26 Project #201, 1956
 - 1.27 Project #211, 1956
 - 1.28 "Veterinary Diagnostic Lab Report," Project #215, 1956-1957
 - 1.29 Various projects, 1957
 - 1.30 Memoranda on Reports and Federal Inspections, 1956-1957
 - Annual Progress Reports, 1957
 - 1.31 "Growth, Lactation, and Management Studies with Dairy Cattle," Project #13
 - 1.32 "Carotene and Vitamin A, Utilization and Storage in Dairy Cattle of Different Nutritional Backgrounds," Project #13-10; "Physiological Cases of Breeding Failure in Dairy Cattle," #2-W49
 - 1.33 "Investigation of Diseases of Beef Cattle," Project #24
 - 1.34 "Investigation of Diseases of Sheep," Project #25
 - 1.35 "Investigation of Diseases in Poultry and Miscellaneous," Project #27
 - 1.36 "Necatix Dosage and Time," Project #27-2
 - 1.37 "Field testing of Coccidial Cultures for Artificially Inducing Immunity Against Coccidiosis," Project #27-3
 - 1.38 "Viability of Bronchitis Virus," Project #27-7
 - 1.39 "Biochemical Studies with Livestock Nutritional Problems," Project 61-1
 - 1.40 "Mastitis," Project #135
 - 1.41 "Sterility in Dairy Cattle," Project #136
 - 1.42 "The Role of Minor Elements in Animal Nutrition," Project #154-1
 - 1.43 "Determination of Nature and Control of White Muscle Disease in Livestock," Project #175
 - 1.44 "General Service," Project #201
 - 1.45 "Poultry Disease, Diagnosis and Testing," Project #211
 - Other Reports, 1956-1957
 - 1.46 Animal Diagnostic Laboratory, Annual Report, 1956-1957
 - 1.47 Final Report of Federally-Granted Project, #259, 1956
 - Annual Progress Reports, 1956
 - 1.48 "Management as it affects Parasitism in Cattle and Sheep," Project W-35
 - 1.49 "Nature and Control of Anaplasmosis," Project #293
 - 1.50 "Food Preservation by Means of Ionizing Radiation," Project #171-3
 - Wildlife Reports, 1953-1957
 - 1.51 Wildlife Reports, antelope sera studies, 1953-1957
 - Annual Progress and Final Reports, 1958
 - 1.52 Various projects
 - 1.53 Miscellaneous Project Reports, including "Genetics and Breeding of Poultry Husbandry"
 - 1.54 Report to Cooney for Chancellor
 - 1.55 Information on completing Progress Reports for, 1958

- 1.56 "Investigations of Diseases of Sheep," Project S-25
- 1.57 "Eimeria Necatrix Immunity," Project #27-2
- 1.58 "Field Testing of Coccidial Cultures," Project #27-3
- 1.59 "Bronchitis Viability," Project #27-7
- 1.60 "PPLO Testing and Pathogenicity Studies," Project #27-8
- 1.61 "Biochemical Studies with Livestock Nutrition," Project #61
- 1.62 "Sterility in Dairy Cattle," Project #136
- 1.63 "Role of Minor Elements in Animal Nutrition," Project #154
- 1.64 "White Muscle Disease," Project #175
- 1.65 "General Service, Misc. Investigation," Project #201
- 1.66 "Poultry Disease Diagnosis and Testing," Project #211
- 1.67 "Veterinary Diagnostic Lab," Project #215
- 1.68 "Nature and Control of Anaplasmosis in Cattle," Project #293
- 1.69 "Epizootological Studies of Anaplasmosis in Oregon Cattle," Project #293-1
- 1.70 "Performance of Dairy Cattle fed selected levels of Carotene and/or Vitamin A from different sources,"
Project #343
- 1.71 "Ornithosis Control," Project #346
- 1.72 "Natural Reservoirs of Ornithosis Virus," Project #346-1
- 1.73 "Food Preservation by means of Ionizing Radiation," Project #171-3
- Annual Progress and Final Reports, 1959
- 1.74 Active Projects
- 1.75 Miscellaneous Projects
- 1.76 Information on completing Projects Report, 1959
- 1.77 "Parasites of Ruminants," Project AB
- 1.78 "Mastitis in Cattle," Project AD
- 1.79 "Genetics and Breeding Improvement in chickens," Project #18
- 1.80 "Respiratory Diseases of Domestic Poultry," Project #26
- 1.81 "The Nature and Control of Avian Coccidia," Project #28
- 1.82 "Biochemical Investigations of Metabolic and Nutritional Disorders in Livestock," Project #61
- 1.83 "The Role of Minor Elements on Animal Nutrition," Project #154
- 1.84 "Determination and Control of White Muscle Disease," Project #175
- 1.85 "General Services," Project #201,
- 1.86 "Poultry Disease-Diagnosis and Testing," Project #211
- 1.87 "Animal Diagnostic Lab," Project #215,
- 1.88 "Nature and Control of Anaplasma," Project #293
- 1.89 "Performance of Dairy Cattle fed selected levels of Carotene and/or Vitamin A from difference sources,"
Project #343
- 1.90 "Nature and Control of Ornithosis in Birds," Project #246
- 1.91 "The Growth, Breeding, Longevity and Histopathology of Rats fed or Control Foods Irradiated," Project
#433
- Annual Progress Reports, 1960
- 1.92 Various Projects
- 1.93 Miscellaneous Projects
- 1.94 Memoranda on Progress Reports
- 1.95 Report from Livestock Research Advisory Committee, USDA
- 1.96 "Genetics and Breeding Improvement of Chickens," Project #18
- 1.97 "Pleuropneumonia-like organisms," Project #26
- 1.98 "Coccidiosis," Project #28
- 1.99 "Biochemical Investigations of Metabolic and Nutritional Disorders in Livestock," Project #61
- 1.100 "Arthropods affecting Man and Animals," Project #97
- 1.101 "Minor Elements and Animal Nutrition," Project #154
- 1.102 "White Muscle Disease," Project #175
- 1.103 "General Services," Project #201
- 1.104 "Veterinary Serology Testing," Project #211

- 1.105 "Veterinary Diagnosis," Project #215
- 1.106 "Anaplasmosis," Project #293
- 1.107 "Performance of Dairy Cattle fed selected levels of Carotene and/or Vitamin A from different sources," Project #343
- 1.108 "Ornithosis," Project #346
- 1.109 "Rats on Irradiated and Control feed," Project #422
- 1.110 "ARS on Natural Reservoirs of Orithosis in Birds," Project #346, Report to USDA
- 1.111 "Ruminant Nematodes," Project #433
- 1.112 Project #433, (W35)
- 1.113 "Mastitis," Project #441
- Annual Progress Reports, 1961
- 1.114 Various projects
- 1.115 Information on completing Project Reports, 1961
- 1.116 "Respiratory Diseases of Domestic Poultry," Project #1 #26
- 1.117 "Nature and Control of Avian Coccidiosis," Project #28
- 1.118 "Arthropods affecting Man and Animals," Project #97
- 1.119 "Nature and Control of White Muscle Disease," Project #175
- 1.120 "General Service, Misc. Investigations," Project #201
- 1.121 "Serological testing and diagnosis," Project #211
- 1.122 "Veterinary Diagnostic Services," Project #215
- 1.123 "Anaplasmosis," Project #293
- 1.124 "Performance of Dairy Cattle fed levels of Carotene and/or Vitamin A from Different sources," Project #343
- 1.125 "Nature and Control of Ornithosis in Birds," Project #346
- 1.126 "Cooperative USDA, ARS Ad PRD Ornithosis Report," Project #346
- 1.127 "Bionomics, Pathogenicity, and Control of Ruminant Nematodes," Project #433
- 1.128 Project #433-W35
- 1.129 "AEC (Atomic Energy Commission) Travel Report to Glasgow"
- 1.130 "AEC Contract Project"
- 1.131 "Mastitis," Project #441
- Annual Progress Reports:
 - 1.132 1962
 - 1.133 1963
 - 1.134 1964
 - 1.135 1965
 - 1.136 1966
 - 1.137 Lab Report, Project #215, 1968-1969
- 1 Annual Reports (Summary Reports), Veterinary Diagnostic Laboratory, 1952-1972
- 1 Clinical Necropsy Records, 1976
- 1 Monthly Animal Disease Reports, 1957-1963; 1971-1975
- 1 Poultry Diagnoses Reports and Monthly Autopsy Results, 1967-1969
- 1 Salmonella Reports, 1962-1969
- Series II. Correspondence and Administrative Records, 1952-1975
 - 1 Diagnostic responses and test results to animal and crop disease problems, 1964-1975
 - 1 Administrative correspondence, 1966-1974
 - 1 Permit Applications, 1968
 - 1 Fee Scales, 1966-1970
 - 1 Guide to Slides, 1964
 - 1 Blank stationery samples, circa 1959
 - 1 Inspection Reports of premises, 1968-1969
 - 1 Inventory of culture media and laboratory supplies, 1965
 - 1 Equipment Specifications, 1952-1963
 - 1 Staff Directory, 1968
 - 1 News releases, 1954-1968
