

Milton Harris Papers (MSS Harris)
Series 10. Professional Activities Scrapbook, 1966-1984
Box 15 Folder 02

This scrapbook is comprised predominately of materials documenting Harris' professional and academic achievements. It includes certificates and awards from numerous organizations including the Chemists Club of New York, the Academy of Applied Science, the Chemical Heritage Society, the Textile Research Institute, the American Chemical Society, and the National Academy of Engineers. Other contents include certificates from the Professional Golf Association, the Crown Royal Hole-in-One Society, British Airways, and Japan Airlines; newspaper clippings; two electron micrographs; a watercolor of the Oregon State University Memorial Union; and a varsity letter in tennis.

Page 2
