

Albert S. Hunter Papers  
Preliminary Inventory

- Box      **Series 1. Columbia Basin Wheat Project, 1953-1961**
- 01      Charts, 1954-1955
- 01      Correspondence, 1961
- 01      Description of Pacific Northwest Wheat Farming Area, 1953
- 01      Experiments - Fertilizers on Wheat, 1953-1954
- 01      General Information, 1959
- 01      Instructions for Recording Data
- 01      Millers' Ratings of Wheat Samples
- 01      Morrow and Umatilla County Harvest Observations, 1956-1957
- 01      Northwest Fertilizer Conference, 1956
- 01      Outline for OAES Technical Bulletin, 1957
- 01      Pendleton Grain Growers Reports, 1956-1957
- 01      Plot Diagrams and Yield Data, 1955-1957
- 02      Protein in Wheat Paper, 1956
- 02      Protein Per Cent - Analysis of Variance, 1953-1954
- 02      Rainfall Records, 1954-1957
- 02      Regressions
- 02      Results of May 1957 Inspection of 1954/55 Sites for Residual Effects of N
- 02      Scatter Diagrams - Air-Dry vs. Oven-Dry Soils
- 02      Soil Analyses, 1955-1957
- 02      Soil Descriptions, 1955-1957
- 02      Test Weights - Analysis of Variance, 1953-1954
- 02      Wheat Analyses, 1957-1958
- Map      Map: Sherman County Soil Conservation District; Sherman County, Oregon, April  
Folder 01 1954
- Map      Map: Traffic Station, Statewide Highway Planning Survey; Gillam County, OR,  
Folder 01 1936
- Map      Plans: Portable Self-propelled Plot Combine; Agricultural Experiment Station,  
Folder 01 Oregon State College, Soils Department
- 02      **Series 2. Fertilizing and Seeding Machine, 1951**
- 02      **Series 3. Guayule Production in Texas, 1950-1951**
- 02      **Series 4. Liming Conference, 1956**
- 02      **Series 5. Publications, 1946-1958**

02      **Series 6. Rubber Research – Cornell University and Rubber Research Station  
(Salinas, California), 1944-1949**

01      **Series 7. Laboratory and Field Books, 1949-1955**

03      Laboratory and Field Books

03      Yields (bushels per acre), 1956-1957

04      **Series 8. Photographs, 1899-1951**

04      Oregon and California Scenes, 1899-ca. 1910

04      Fertilizing and Seeding Machine, 1951

04      Guayule Production, 1944-1951

04      Guayule Research Project - Root Experiment, 1944-1946  
(unidentified)
