

Area	Divider Heading	Item No.	Description	Date	Object Type	Other Forms
I	Columbia River - seining	1-A:1	Two-man stern picker gill net boat; 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:3	One- and two-man gill boats; Ilwaco (Wash.); 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:4	One- and two-man gill boats; Ilwaco (Wash.); 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:6	One-man gill net boat with power roller and two-man stern picker boat; Ilwaco (Wash.); 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:7	One-man gill net boat with power roller and two-man stern picker boat; 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:8	One-man gill net boat with power roller and two-man stern picker boat; 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:9	One-man gill net boat with power roller and two-man stern picker gill net boat	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:11	One-man gill net boat without power roller and two-man stern picker boat; Astoria (Or.); 1937-08-17	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:16	Gill net boats; Columbia River; Ilwaco (Wash.); 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:17	Gill net boats on Columbia River; Ilwaco (Wash.); 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:18	One-man gill net boat with power roller; Columbia River; 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:24	One-man boat without power roller and two-man boat; Astoria (Or.); 1937-08-17	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:35	Tracking net from blue-stone tank to racks; Ilwaco (Wash.); 1937-08-14	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:36	Racking net from trucks; Ilwaco (Wash.); 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:37	Racking net from truck; Ilwaco (Wash.); 1937-08-14	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:38	Racking net from trucks; 1937-08	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:39	Racking net from truck; Ilwaco (Wash.); 1937-08-14	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:41	Mending gill net; Astoria (Or.); 1937-08-17	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:42	Mending gill net; Ilwaco (Wash.); 1937-07	1937	Silver gelatin prints	Nitrate negatives

I	Columbia River - seining	1-A:43	Mending gill net; Ilwaco (Wash.); 1937-07	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:44	Mending gill net; Ilwaco (Wash.); 1937-08-14	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:46	Gill net and boat; Ilwaco (Wash.); 1937-07	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:48	Loading gill net into boat; Ilwaco (Wash.); 1937-07	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:49	Gill net-net being loaded into boat; Ilwaco (Wash.); 1937-07	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:50	Gill net; Ilwaco (Wash.); 1937-07	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-A:52	Kalama drift; Kalama (Wash.); 1937-07	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-B:24	Seine skiff with boxed fish; Van Dusen Sands; 1937-08-17	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-B:44	Chinook salmon in trap; Sand Island; 1937-07	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-F:3	Looking up the Columbia River from the Oregon side near Bigg's Ferry; 1937-09-07	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-F:4	Columbia River near Chelan; 1936-08	1936	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-F:5	Columbia River; Puget Island; 1938-06	1938	Silver gelatin prints	Nitrate negatives
I	Columbia River - seining	1-F:6	Columbia River near Big Eddy; 1938-06	1938	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:1	Bonneville Dam; 1937-07-02	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:2	Bonneville Dam; 1937-07-02	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:3	Bonneville Dam; 1937-07-02	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:4	Roll way-Bonneville Dam; 1937-07-02	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:5	Temporary ladder-Oregon side-Bonneville Dam; 1937-06-17	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:6	Temporary ladder-Oregon side-Bonneville Dam; 1937-06-17	1937	Silver gelatin prints	Nitrate negatives

I	Columbia River-Bonneville Dam	1-E-1:7	Temporary fish ladder-Bonneville Dam; 1937-07-02	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:8	Entrance temporary fish ladder-Bonneville Dam; 1937-07-02	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:9	Entrance temporary fish ladder-Bonneville Dam; 1937-07-02	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:10	Temporary ladder-Oregon side-Bonneville Dam; Salmon in air at left side of jump; 1937-06-17	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:11	Lamprey eels-Bonneville Dam; 1937-07-02	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:12	Temporary fish ladder-Bonneville Dam; 1937-07-02	1937	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:13	Releasing marked fish above Bonneville Dam-anal and right ventral removed; 1940-06-17	1940	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam	1-E-1:14	Releasing marked fish above Bonneville Dam-mark-anal and right ventral removed; 1940-06-17	1940	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam		Bonneville Dam	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Columbia River-Bonneville Dam		Salmon going on counting board	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:1	Rock Island Dam Columbia River; 1934	1934	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:2	Rock Island Dam Columbia River; 1934	1934	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:3	Rock Island Dam Columbia River; 1934	1934	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:4	Rock Island Dam Columbia River; 1934	1934	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:5	Rock Island Dam Columbia River; 1934	1934	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:6	Rock Island-Columbia River; 1935-06-23	1935	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:7	Rock Island Dam Columbia River; 1934	1934	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:8	Rock Island Dam; 1934	1934	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:9	Rock Island; 1940-06-12	1940	Silver gelatin prints	Nitrate negatives

I	Columbia River-Rock Island Dam	1-E-3:10	Rock Island dam power plant and gates; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:11	Rock Island dam-Central spill and West trap and fish way; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:12	Rock Island dam-Central spill and West trap and fish way; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:13	Rock Island dam-Power plant and gates; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:14	Rock Island dam-Central spill and fish ladder; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:15	Rock Island dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:16	Central spill-Rock Island dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:17	First load; Chinooks and Steelheads; left trap; Rock Island dam; 1939-05-01	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:19	Rock Island Dam-Loading fish truck at east trap; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:20	Fish sliding onto truck of fish truck; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:21	North trap; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:22	Hatch on fish tank-putting water in fish truck; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:23	Center trap-Rock Island Dam-Central fish hoist and elevator; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:24	Central Trap-Rock Island Dam-fish hoist; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:25	South Trap-Rock Island Dam-Chinooks in trail; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:26	Rock Island Dam-Chinooks in trail; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:27	Gate into hoist of fish trap-Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:28	Gate into hoist at trap-Rock Island Dam-View from braille into fish hoist; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:29	Center Trap-Rock Island Dam-Summer; 1940	1940	Silver gelatin prints	Nitrate negatives

I	Columbia River-Rock Island Dam	1-E-3:31	Left Trap-Rock Island Dam-Truck at east trap-Summer; 1940	1940	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:33	Left Ladder-Rock Island Dam-East Fishway-Spring; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:34	Fish ladder and collecting pool; left trap; Rock Island Dam; Spring; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:35	Tunnels from collecting pool to brail; left trap; Rock Island Dam; Spring; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:36	Picture taken from collecting pool; showing tunnels leading to brail; left trap; Rock Island Dam; Spring; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:37	Picture taken from brail; showing tunnels which enter from collecting pool; left trap; Rock Island Dam; Spring; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:38	Brail; left trap; Rock Island Dam; Summer; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:39	Salmon going from brail thru tunnel to elevator; left trap; Rock Island Dam; Summer; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:40	Salmon entering elevator from brail; left trap; Rock Island Dam; Summer; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:41	Elevator down; left trap; Rock Island Dam; Summer; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:42	Left trap; Rock Island Dam-to show elevator tower and loading platform; Summer; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:43	First load of salmon; left trap; Rock Island Dam; Spring; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:44	First fish haul; left trap; Rock Island Dam; Spring; 1939-05	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:45	Loading fish truck at left trap; Rock Island Dam; Spring; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:46	First fish haul; left trap; Rock Island Dam; Gov. Martin of Washington on truck; Spring; 1939-05	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:47	Center trap; Rock Island Dam; Summer; 1940	1940	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:48	Filling a fish truck at the east trap; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:49	Chinooks in brail at east trap; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives

I	Columbia River-Rock Island Dam	1-E-3:50	Chinook jumping rock-left and middle ladder-Rock Island Dam; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:51	Chinooks jumping over middle rocks; Rock Island Dam; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:52	Chinook jumping rock-left and middle ladder-Rock Island Dam; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:53	Chinook on rock left and middle ladder; Rock Island Dam; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:54	Chinooks jumping over middle rocks; Rock Island Dam; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:55	Chinooks jumping over middle rocks; Rock Island Dam; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:56	Chinook jumping rock-left and middle ladder; Rock Island Dam; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:57	Chinook on rock left of middle ladder; Rock Island; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:58	Chinook jumping-rock left of middle ladder; Rock Island; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:59	Chinooks jumping over middle rocks; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:60	Chinook jumping-rock left of middle ladder; Rock Island; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:61	Chinook jumping-rock left of middle ladder; Rock Island; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:62	Chinooks jumping over middle rocks; Rock Island Dam; 1939-08	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:63	Loading fish at central trap; Rock Island Dam; 1940	1940	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:64	Central spillway; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:65	East fishway and collecting pool; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:66	Collecting pool at trap; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:67	Tunnels from collecting pool into brail, east trap; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:68	Salmon trap with brail raised; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives

I	Columbia River-Rock Island Dam	1-E-3:69	Salmon entering elevator from brail; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:70	Salmon entering elevator from brail; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:71	Salmon entering elevator from brail; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:72	Central spill and left fishway taken from middle fishway; Rock Island Dam; 1940-07	1940	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:73	Central spill taken from middle fishway; Rock Island Dam; 1940-07	1940	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:74	Salmon on counting board between brail and elevator; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:75	Salmon on counting board between brail and elevator; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Columbia River-Rock Island Dam	1-E-3:76	Loading fish truck-left trap; Rock Island Dam; 1939	1939	Silver gelatin prints	Nitrate negatives
I	Grand Coulee Dam	1-F:8	Dry Falls-near Coulee City; 1935-09-26	1935	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:1	Upper Kettle Falls; Columbia River; 1935-09-18	1935	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:2	Upper Kettle Falls; Columbia River; 1935-09-18	1935	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:3	Kettle Falls; Columbia River; 1935-09-20	1935	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:4	Steelhead; Kettle Falls; 1935-09-18	1935	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:5	Steelhead jumping Kettle Falls; Columbia River	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:6	No Picture	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:7	No Picture	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:8	No Picture	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:9	Steelhead jumping Kettle Falls	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:10	Steelhead jumping jump trap against Kettle Falls; Columbia River; 1935-09-18	1935	Silver gelatin prints	Nitrate negatives

I	Kettle Falls	1-D-2:11	Jump trap at Kettle Falls	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:12	Jump trap at Kettle Falls	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:13	Jump trap at Kettle Falls	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:14	Jump trap at Kettle Falls for steel head and salmon	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:15	Jump trap at Kettle Falls	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:16	Kettle Falls Indian "jump-trap" for steel head and salmon; 1935-09-18	1935	Silver gelatin prints	Nitrate negatives
	Kettle Falls	1-D-2:17	Kettle Falls showing "jump trap"; 1935-09-18	1935	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:18	Fishing for whitefish; Columbia River at Kettle Falls; 1935-09-18	1935	Silver gelatin prints	Nitrate negatives
I	Kettle Falls	1-D-2:19	Indian snagging for chinook salmon; Kettle Falls; 1935-09-18	1935	Silver gelatin prints	Nitrate negatives
I	Chinook Creek		Tide gates-mouth of Chinook Creek; 1946-05-17	1946	Silver gelatin prints	Nitrate negatives
I	Chinook Creek		Remains of hatching traps on Chinook Creek; 1946-05-17	1946	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:1	Dog salmon spawning; 1936-11	1936	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:2	Dog salmon spawning; Grays River; 1936-11	1936	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:3	Dead dog salmon; Grays River; 1936-11	1936	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:4	Dead dog salmon; Grays River; 1936-11	1936	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:5	Dead dog salmon; Grays River; 1936-11	1936	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:7	Falls over canyon wall on lower Grays River-F. Jobs in lower center; 1937-05-19	1937	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:7	Falls down canyon walls on Grays River-150' high; showing typically canyonous nature of stream banks; 1937-05-19	1937	Silver gelatin prints	Nitrate negatives

I	Grays River and Tributaries	29:8	8 ft. Falls (so-called) below the "Big Slide" on the Grays River; sta. 4 about 4 miles above Highway; only obstruction on river; 6/7/1937	1937	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:9	Old dam near mouth of south fork of Grays River; contains 1000000 bd. ft.; 1937-06-12	1937	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:10	Typical stretch of lower Grays River; splashes from dog salmon; 1936-11-10	1936	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:11	Back-packing 60# apiece into Grays River; L. to R.-Lobell; Hanavan; and Jobes; 1937-06-05	1937	Silver gelatin prints	Nitrate negatives
I	Grays River and Tributaries	29:11	L. to R.-Lobell; Hanavan; and Jobes; Resting on back-packing trip into Grays River; 1937-06-05	1937	Silver gelatin prints	Nitrate negatives
I	Crooked Creek		Irrigation dam; Crooked Creek; No ladder; 1946-05-20	1946	Silver gelatin prints	Nitrate negatives
I	Crooked Creek		Old dam-Crooked Creek; just above first forks-left branch facing upstream; no ladder; dam should be removed; 1946-05-20	1946	Silver gelatin prints	Nitrate negatives
I	Crooked Creek		Old Power Dam-Crooked Creek; Wash.; 1946-05-20	1946	Silver gelatin prints	Nitrate negatives
I	Crooked Creek		Irrigation dam-Crooked Creek; no ladder; 1946-05-20	1946	Silver gelatin prints	Nitrate negatives
I	Skamokawa Creek and Tributaries (Wilson Creek -Elkhorn Creek)		Elkhorn Creek; trib. of Wilson Creek; very few salmon can get through culvert during high water; farm of V.S. Kesterson; 1946-05-22	1946	Silver gelatin prints	Nitrate negatives
I	Skamokawa Creek and Tributaries (Wilson Creek -Elkhorn Creek)		Impassible log jam on Wilson Creek; trib. of Skamokawa Creek; 1946-05-22	1946	Silver gelatin prints	Nitrate negatives
I	Skamokawa Creek and Tributaries (Wilson Creek -Elkhorn Creek)		Impassible log jam on Wilson Creek; trib. of Skamokawa, Wash.	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Alochomin River	23:1	Left Branch of East Fork of the Elochomin River; showing effect of current logging operations on the stream; 1937-05-20	1937	Silver gelatin prints	Nitrate negatives
I	Alochomin River	23:3	Hi-line logging operations on Left Branch of East Fork of the Elochomin River; 1937-05-20	1937	Silver gelatin prints	Nitrate negatives
I	Alochomin River	23:3	C-W Paper Company's logging operations on the East Fork Elochomin River; 1937-05-20	1937	Silver gelatin prints	Nitrate negatives
I	Abernathy Creek	87-A:1	Abernathy Creek trib. to Columbia River; bedrock chute and falls; 1936-10-31	1936	Silver gelatin prints	Nitrate negatives
I	Abernathy Creek		Negative found with 87-A:1 Abernathy Creek Bedrock chute and falls; No print	ca. 1937-1945	Silver gelatin prints	Nitrate negatives

I	Abernathy Creek		Upper portion of Abernathy Creek; burnt-off area left erosion and destruction	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Abernathy Creek		Upper portion of Abernathy Creek; burnt-off area; destruction of stream	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Abernathy Creek		Abernathy Falls by Albert West farm; passable with difficulty; steel head; 1946-05-21	1946	Silver gelatin prints	Nitrate negatives
I	Coal Creek	87-C:1	Stratified sandstone; Coal Creek trib. to Columbia River; 1936-10-29	1936	Silver gelatin prints	Nitrate negatives
I	Coal Creek	87-C:2	Coal Creek trib. to Columbia River; stratified sandstone falls; 1936-10-29	1936	Silver gelatin prints	Nitrate negatives
I	Cowlitz River (main river) III	16:1	Lower Cowlitz Falls; 8 miles below Randle; falls 4 ft. high and not a barrier; 1936-10-24	1936	Silver gelatin prints	Nitrate negatives
I	Cowlitz River (main river) III	16:2	Cowlitz Falls 8 miles below Randle; 1936-10-24	1936	Silver gelatin prints	Nitrate negatives
I	Cowlitz River (main river) III	16:3	Cowlitz River falls; 8 miles below Randle; drop of lower falls 4 ft; 1936-10-24	1936	Silver gelatin prints	Nitrate negatives
I	Cowlitz River (main river) III	16:4	Hanavan; Lobell; and Kolloen at stream-survey headquarters on upper Cowlitz; Coal Creek cabins; 1937-07-26	1937	Silver gelatin prints	Nitrate negatives
I	Cowlitz River (main river) III	16-F-1:1	35' falls on Goat Creek; 530 yards above its confluence with the Cowlitz River; 1937-07-31	1937	Silver gelatin prints	Nitrate negatives
I	Cowlitz River (main river) III	16-F-10:2	Impassible 6' milldam on top of bedrock chute a short distance above highway bridge; Sulphur Creek trib. of Cowlitz; 1941-04-30	1941	Silver gelatin prints	Nitrate negatives
I	Monahan Creek Tributary to South Fork (Arkansas Creek to Cowlitz River)	16-F-4:1	Monahan Creek-falls; from enclosure-Cowlitz River; 1937-05-23	1937	Silver gelatin prints	Nitrate negatives
I	Monahan Creek Tributary to South Fork (Arkansas Creek to Cowlitz River)	16-F-4:2	Monahan Creek-falls; from enclosure-Cowlitz River; 1937-05-23	1937	Silver gelatin prints	Nitrate negatives
I	Spirit Lake and Mount Saint Helens (Toutle River; tributary to Cowlitz River)	16-E:1	Toutle River; from enclosure-Cowlitz River; 1936	1936	Silver gelatin prints	Nitrate negatives
I	Spirit Lake and Mount Saint Helens (Toutle River; tributary to Cowlitz River)	16-E:2	Mt. St. Helens-Wash.; upper Toutle River; bridge crossing above Studebaker Creek to trail for South Toutle River shelter; from enclosure-Cowlitz River; 1936-09	1936	Silver gelatin prints	Nitrate negatives
I	Spirit Lake and Mount Saint Helens (Toutle River; tributary to Cowlitz River)	16-E:3	Mt. St. Helens; upper Toutle River (Wash.) in vicinity of Coldwater Creek; from enclosure-Cowlitz River; 1936	1936	Silver gelatin prints	Nitrate negatives

I	Spirit Lake and Mount Saint Helens (Toutle River; tributary to Cowlitz River)	16-E:4	Toutle River-3 miles above Outlet Creek; from enclosure-Cowlitz River; 1936-09	1936	Silver gelatin prints	Nitrate negatives
I	Olequa Creek (tributary to Cowlitz River)	16-F-6:2	Sawmill dam-Olequah Creek-near Winlock; 1937-05-25	1937	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:3	Cispus River above mouth of E. Canyon Creek; trib. to Cowlitz River; 1936-10-25	1936	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:4	Upper Cispus River at Walupt Lake Road; 1936-10-22	1936	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:5	Cispus River from Muddy Fork bridge; River 22 ft. wide; falls 5 ft. high; 1936-10-22	1936	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:7	Cispus River; part of falls and cascades below Gail Falls near Cob Creek confluence; 1941-04-25	1941	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:8	Cispus River; native orchid (<i>Cytherea bulbosa</i>); several were seen at Gail Falls; 1941-04-25	1941	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:9	Cispus River; watershed of Upper Cispus showing extensive burn-over area and mountainous terrain; 1941-05-26	1941	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:11	Randle Wash.; overhanging rock ledge on trail to the East Canyon Creek bridge; 1941-04-25	1941	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:12	Randle Wash.; Lower Cispus C.C.C. Camp with Tower Mt. in background; 1941-04-25	1941	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:13	Randle Wash.; view of Mt. Adams from road to Cispus River; 1941-04-22	1941	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:14	Randle Wash.; moss-covered tree along trail near Lower Cispus River; 1941-04-24	1941	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-A:15	Randle Wash.; typical vegetation of Columbia National Forest along Lower Cispus River; 1941-04-23	1941	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-D:1	Dense, damp vegetation along Tilton River; 1936-10-20	1936	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-D-1:1	Mouth of Bear Canyon Creek where it flows into Tilton; impassable to fish; 1936-10-20	1936	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-D:2	Tilton River 5 miles above mouth; 1936-10-20	1936	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-D:3	Survey crew on Tilton River near Brewer bridge; 1936-10-20	1936	Silver gelatin prints	Nitrate negatives
I	Tilton River and Tributaries (Tributary to Cowlitz)	16-D:4	No print	ca. 1937-1945	Silver gelatin prints	Nitrate negatives

I	Tilton River and Tributaries (Tributary to Cowlitz)	16-D:5	No print	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-2:1	Mouth of East Canyon Creek; trib. to Cispus River-30' log jam; 1936-10-25	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-2:2	Falls above mouth East Canyon Creek; trib. to Cispus River; 1936-10-25	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-3:1	Greenhorn Creek; trib. to Cispus River; 1936-10-23	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-5:1	Box canyon on Yellowjacket Creek (trib. to Cispus) 1700 yards above road bridge; 1936-10-22 [<i>Note: prior to 1968, Yellowjacket Creek was known by a name that included the n-word, a racist word to describe African American people.</i>]	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-5:2	Yellowjacket Creek (trib. to Cispus) 1300 yards above road bridge; log jam in background; stream 40 ft. wide; 1936-10-25 [<i>Note: prior to 1968, Yellowjacket Creek was known by a name that included the n-word, a racist word to describe African American people.</i>]	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-5:4	Lower end of big log jam in Box Canyon on Yellowjacket Creek; barrier at this point; creek 35 ft. wide and jam 25' high; 1936-10-22 [<i>Note: prior to 1968, Yellowjacket Creek was known by a name that included the n-word, a racist word to describe African American people.</i>]	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-5:6	Looking down small Box Canyon on Yellowjacket Creek (trib. to Cispus) 500 yards above road bridge; 35 ft. wide; 1936-10-22 [<i>Note: prior to 1968, Yellowjacket Creek was known by a name that included the n-word, a racist word to describe African American people.</i>]	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-5:7	Looking down lower valley of Yellowjacket Creek; Cispus River at base of Spud Mt. in background; 1936-10-22 [<i>Note: prior to 1968, Yellowjacket Creek was known by a name that included the n-word, a racist word to describe African American people.</i>]	1936	Silver gelatin prints	Nitrate negatives

I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-5:8	Passable falls and cascades in Yellowjacket Creek; 1936-10-23 [<i>Note: prior to 1968, Yellowjacket Creek was known by a name that included the n-word, a racist word to describe African American people.]</i>	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-5:9	Falls on Yellowjacket Creek; 4 miles above road; falls 25 ft. high; 1936-10-23 [<i>Note: prior to 1968, Yellowjacket Creek was known by a name that included the n-word, a racist word to describe African American people.]</i>	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-6:1	Impassable bedrock chute on North Fork Cispus near Timonium Creek; drops 25' in 60'-no pools; 1937-08-03	1937	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-6-a:1	75' series of falls on Timonium Creek near its confluence with the North Fork of the Cispus (Wash.); indicates terrific flood stages; 1937-08-03	1937	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-7:1	Stream survey-Quartz Creek; trib. to Cispus River; 1936-10-22	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-7:2	Stream survey on Quartz Creek; trib. to Cispus River; 1936-10-22	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-8:1	Silver Falls Creek; trib. to Cispus River; 1936-10-23	1936	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A:10	Cispus River; watershed of Upper Cispus showing extensive burn-over area; 1941-04-26	1941	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-10:1	Woods Creek-trib. of Cispus; mouth of Woods Creek showing steep gradient and moss-covered boulders in stream bed; inaccessible at low water; 1941-04-29	1941	Silver gelatin prints	Nitrate negatives
I	Tributaries to Cispus River of Cowlitz River (keep in present up stream order)	16-A-11:2	Randle Wash.; 15 foot falls in box canyon 1/4 mile above mouth of Adams Creek-trib. of Cispus River; 1941-04-25	1941	Silver gelatin prints	Nitrate negatives
I	Columbia River (miscellaneous) I-G	16-A-5:5	Looking down at upper end of big log jam on Yellowjacket Creek; 1936-10-22 [<i>Note: prior to 1968, Yellowjacket Creek was known by a name that included the n-word, a racist word to describe African American people.]</i>	1936	Silver gelatin prints	Nitrate negatives

I	Columbia River (miscellaneous) I-G	16-A-9:1	Walupt Lake (head of Cispus River) from west or outlet end; 1936-10-25	1936	Silver gelatin prints	Nitrate negatives
I	Columbia River (miscellaneous) I-G	21-L:1	White River-trib. to Deschutes River; 18' falls several hundred yards below power plant; upper falls can be seen faintly in background; 1942-06-19	1942	Silver gelatin prints	Nitrate negatives
I	Cowlitz Tributaries above the Cispus River (keep in up stream order)	16-A-1:1	Falls on Cat Creek (Cispus) 1/4 mile above mouth; lower falls 4' high and upper 10' high; 1936-10-25	1936	Silver gelatin prints	Nitrate negatives
I	Cowlitz Tributaries above the Cispus River (keep in up stream order)	16-A-4:1	Muddy fork of Cispus River; 10 ft. and 20 ft. wide; Mt. Adams in left background (print reversed); 1936-10-20	1936	Silver gelatin prints	Nitrate negatives
I	Cowlitz Tributaries above the Cispus River (keep in up stream order)	16-A-11:1	Adams Creek-trib. of Cispus River; 15 ft. falls in bedrock canyon 1/4 mile above mouth; 1941-04-25	1941	Silver gelatin prints	Nitrate negatives
I	Cowlitz Tributaries above the Cispus River (keep in up stream order)		Sports fishery along left shore (Oregon side) of Columbia River below mouth of Sandy River; 1945-09-12	1945	Silver gelatin prints	Nitrate negatives
I	Cowlitz Tributaries above the Cispus River (keep in up stream order)		Sports fishery along left shore (Oregon side) of Columbia River below mouth of Sandy River; 1945-09-12	1945	Silver gelatin prints	Nitrate negatives
I	Columbia River (Gill Netting) I-A	16-A-11:3	Randle Wash.; narrow box canyon at lowest 1/4 mile of Adams Creek-trib. of Cispus River; 1941-04-25	1941	Silver gelatin prints	Nitrate negatives
I	Columbia River (Gill Netting) I-A	16-F:2	Cape Disappointment; mouth of Columbia River; 1937-07	1937	Silver gelatin prints	Nitrate negatives

III	Main Yakima River	85-P-4:2	Yakima Wash.; Rosa Dam; upstream view; 1941-02-06	1941	Silver gelatin prints	Nitrate negatives
III	Main Yakima River	85-P-4:5	Yakima Wash.; downstream view of gates and spill at Rosa Dam; fish ladder is at the extreme right; 1941-02-06	1941	Silver gelatin prints	Nitrate negatives
III	Main Yakima River	85-P-4:7	Yakima Wash.; fish ladder over Rosa Dam; 1941-02-06	1941	Silver gelatin prints	Nitrate negatives
III	Main Yakima River	85-P-4:1 2	Yakima Wash.; rotary screens at head of Rosa ditch at the Rosa Dam; 1941-02-06	1941	Silver gelatin prints	Nitrate negatives
III	Main Yakima River	85-P-4:1 4	Yakima Wash.; 1941-02-05	1941	Silver gelatin prints	Nitrate negatives

III	Main Yakima River	85-P-4:1 4	Irrigation ditches from the Yakima River crossing the Terrace Heights Wasteway of the Roza Canal near Yakima; Washington. Crossing from top to bottom are: Roza Canal; Selah - Moxee Canal; Highway bridge; Ray Slavin Branch of the Moxee Ditch; Middy Branch of the Moxee Ditch; Union Gap Ditch (15 prints)	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
III	Main Yakima River	85-P-5:2	Fish screens; Sunnyside irrigation canal; 1935-05-14	1935	Silver gelatin prints	Nitrate negatives
III	Main Yakima River	85-P-5:3 2	Yakima Wash.; North fish ladder over Sunnyside Dam near the Sunnyside ditch headgates; 1941-02-04	1941	Silver gelatin prints	Nitrate negatives
III	Main Yakima River	85-P:9	Yakima Wash.; screen and headgates on Middy ditch just beyond Rosa ditch by-pass; 1941-02-05	1941	Silver gelatin prints	Nitrate negatives
III	Main Yakima River	85-P:18	Yakima Wash.; screens and lower headgates on Selah - Moxee ditch; 1941-02-06	1941	Silver gelatin prints	Nitrate negatives
III	Main Yakima River		Yakima River; Wapato Dam	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
III	Main Yakima River		Naches River Yakima City Water Co. dam; ladder; and reverse intake; no print	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
III	Main Yakima River		Rosa Dam fish ladder; Yakima River	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
III	Main Yakima River		Photo #6-H.B. Stolmes standing in long riffle about 2 mile downstream from Sunnyside By-Pass; showing depth and width of riffle (Weber log); 3:00 P.M. Bright and clear; 1941-07-30	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:1	Big Sandy River; Marmot Dam; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:2	No print	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:3	Marmot Dam; Sandy River; 1940-03	1940	Silver gelatin prints	Nitrate negatives

II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:5	Big Sandy River looking downstream from Marmot Dam; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:10	Entrance of fish ladder; Marmot Dam; 1939-07-14	1939	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:12	Diversion Dam below Troutdale; 1939-07-14	1939	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:13	Big Sandy River at Sleepy Hollow; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:14	Sandy River (Big); 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:15	Big Sandy River; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:16	Big Sandy River just above Clear Creek; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:17	Big Sandy Channel Dam; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:18	Big Sandy Channel diversion dam; 1940-03-15	1940	Silver gelatin prints	Nitrate negatives

II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:19	Big Sandy Channel Dam; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:20	Sandy River diversion dam before repair; Sandy River; Oregon; Spring; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:21	Sandy River showing Big and Little Sandy Channels; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:22	Sandy River; Big Sandy Channel dam in far background; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:23	Big Sandy Channel; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:24	Big Sandy Channel; looking upstream; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:25	Big Sandy Channel; looking downstream from top of dam; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:26	Little Sandy Channel; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:27	Sandy River near mouth - Oregon; looking downstream from top of dam; 1935-02	1935	Silver gelatin prints	Nitrate negatives

II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:28	Showing trout pond on property of Mr. Will R. Lewis deriving water from stream from Bull Run Reservoir; Sandy River System; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:29	Mr. Joseph P. Farola's fish pond at Bull Run Power Plant Reservoir; Sandy River System; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:30	To show thick undergrowth on possible site for rearing pond on property of Mr. Will R. Lewis; just below his trout pond; which takes off from stream running from Bull Run Reservoir - same water supply as Farola's pond; Sandy River System; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:31	To show outlet from Joseph P. Farola's fish pond located just below Bull Run Power Reservoir; Sandy River System; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:32	Looking downstream from outlet of Mr. Joseph P. Farola's fish pond located just below Bull Run Power Reservoir; Sandy River System; to show size of water supply for proposed rearing ponds; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:33	Outlet of J.P. Farola's fish pond; located just below Bull Run Reservoir on Sandy River System; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:34	J. P. Farola's fish pond; located just below Bull Run Reservoir on Sandy River System (pond 2 drained); 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:35	Lower end of J. P. Farola's fish pond; located just below Bull Run Reservoir on Sandy River System; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:36	Lower end of J. P. Farola's fishpond; located just below Bull Run Reservoir on Sandy River System; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives

II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:38	Will R. Lewis's fish pond; located on outlet stream from Bull Run Reservoir; Sandy River System; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64:39	Will R. Lewis's fish pond; located on outlet stream from Bull Run Reservoir; Sandy River System; 1941-05-25	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-A:1	Portland water supply dam on Bull Run River; 1940-05	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-A-1:1	Little Sandy dam; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-A-1:2	Little Sandy dam; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-A-1:3	Little Sandy River above dam; showing outlet of Marmot diversion tunnel; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-A-1:4	Little Sandy River above dam; showing outlet of Marmot diversion tunnel; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-A:2	Portland Water Dept.; Bull Run diversion; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-A:3	Portland Water Dept.; Bull Run diversion; 1940-03	1940	Silver gelatin prints	Nitrate negatives

II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-A:4	Bull Run River below Portland Water Dept. dam; 1940-03	1940	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-C:1	Looking upstream 100 yd. above mouth of Gordon Creek; trib. to Sandy River; to show water supply for rearing pond site; 1941-05-26	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-C:2	Looking downstream to mouth of Gordon Creek; trib. to Sandy River; 1941-05-26	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-C:3	Rearing pond site at mouth of Gordon Creek; trib. to Sandy River; to show height of pond site above stream level; 1941-05-26	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-C:4	Rearing pond site at mouth of Gordon Creek; trib. to Sandy River; 1941-05-26	1941	Silver gelatin prints	Nitrate negatives
II	Sandy River System (Big Sandy - Little Sandy - Marmot Dam - Bull Run River - Gordon Creek - Fish Hatcheries)	64-C:5	Rearing pond site at mouth of Gordon Creek; trib. to Sandy River; 1941-05-26	1941	Silver gelatin prints	Nitrate negatives
	Walla Walla River	77:1	9 mile dam - Walla Walla River; blasted out; 1937-04-22	1937	Silver gelatin prints	Nitrate negatives
	Walla Walla River	77:2	Walla Walla River; 9 mile dam - blasted out; 1937-04-22	1937	Silver gelatin prints	Nitrate negatives
	Walla Walla River	77:3	Fish ladder; Burlingame Dam; Walla Walla River; 1935-02-12	1935	Silver gelatin prints	Nitrate negatives
	Walla Walla River	77:4	Burlingame Ditch; Walla Walla River; 1935-02-12	1935	Silver gelatin prints	Nitrate negatives
	Walla Walla River	77:5	Intake - Burlingame ditch; Walla Walla River; 1935-02-12	1935	Silver gelatin prints	Nitrate negatives
	Walla Walla River	77:6	Burlingame Dam; Walla Walla River; 1935-02-12	1935	Silver gelatin prints	Nitrate negatives

Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)	86:1	Youngs River near Astoria	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)	86:1	Youngs River near Astoria Oregon	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		S. Fork Klaskanine R. Hatchery Rock; Ore. State	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Lewis and Clark River; Ore.; City of Warrenton Water Supply Dam; the main dam which was far below this washed over several years ago; it is to be rebuilt in 1946; 1946-05-08	1946	Silver gelatin prints	Nitrate negatives
Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Lewis and Clark River; City of Warrenton water supply; a new dam is to be built in June 1946; it will have a fish ladder; 1946-05-08	1946	Silver gelatin prints	Nitrate negatives

	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Oregon State hatchery rack on Big Creek	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Tide Creek - lower end; tide gate pipes and dike; 1946-05-15	1946	Silver gelatin prints	Nitrate negatives
	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Tide Creek - large fish unable to get through grate; 1946-05-15	1946	Silver gelatin prints	Nitrate negatives
	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Impassable falls; Goble Creek; 1946-05	1946	Silver gelatin prints	Nitrate negatives
	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Impassable falls on Beaver Creek; about 60' high	ca. 1937-1945	Silver gelatin prints	Nitrate negatives

	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Dam at Oregon state hatchery; Klaskanine River - N. Fork; 1946-05-07	1946	Silver gelatin prints	Nitrate negatives
	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Dam on Milton Creek; near St. Helens Oregon; 1946-05	1946	Silver gelatin prints	Nitrate negatives
	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Dam on Milton Creek; 1946-05	1946	Silver gelatin prints	Nitrate negatives
	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Dam on Milton Creek; 1946-05	1946	Silver gelatin prints	Nitrate negatives
	Columbia River Tributaries Below the Willamette River (Youngs River - Clatskanie - Lewis and Clark River - Klaskanine River and Tributaries - Big Creek - Tide Creek - Goble Creek - Beaver Creek - Milton Creek)		Dam on Milton Creek; Oregon; 1946-05	1946	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:1	Deschutes River; view of river just above confluence with Buck Hollow Creek; 1942-06-19	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:2	Deschutes River; Cascades below Sheran's Falls; 1942-06-19	1942	Silver gelatin prints	Nitrate negatives

	Deschutes River and all Tributaries	21:5	Deschutes River; looking downstream from top of Sheran's Falls; 1942-06-19	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:6	Deschutes River; view of river valley just below Maupin; 1942-06-20	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:7	Deschutes River; town of Maupin Oregon; 1942-06-20	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:8	Deschutes River; river immediately below Steelhead Falls; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:9	Deschutes River; Steelhead Falls; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:10	Deschutes River; broken-down fish ladder over Steelhead Falls; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:11	Deschutes River; view of river a short distance above Steelhead Falls; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:12	Deschutes River; looking upstream at Big Falls; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:13	Deschutes River; carved basalt holding up crest of Big Falls; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:14	Deschutes River; view of river a short distance above Big Falls; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:15	Deschutes River; view of stream just below Lower Bridge; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:16	Deschutes River: Cline Falls and power plant; falls are almost dry during irrigation season; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:17	Deschutes River; Cline Falls; now almost dry because of irrigation; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:18	Deschutes River; carved basalt forming brink of Cline Falls; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:19	Deschutes River; looking upstream from Cline Falls; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:20	Deschutes River; North Canal dam at northern city limits of Bend; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:21	Deschutes River; irrigation dam 1/4 mile below P.P. and L. dam in Bend; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:22	Deschutes River; P.P. and L. Dam in Bend; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:23	Deschutes River; part of Lava Island Falls; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:24	Deschutes River; main part of Benham Falls; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21:25	Deschutes River; Benham Falls; looking downstream; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives

Deschutes River and all Tributaries	21:27	Deschutes River; typical watershed covering for some distance south of Bend; rounded clumps are mainly green-leaf manzanita; 1942-06-23	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-A:1	Buck Hollow Creek; trib. to Deschutes; view upstream from bridge at mouth; 1942-06-19	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-C:1	Crooked River canyon in central Oregon; 1937-09-07	1937	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-C:2	Crooked River Oregon; 1939-01	1939	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-C:3	Crooked River; trib. of Deschutes; view of river near Cove; 1942-06-21	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-C:4	Crooked River; trib. of Deschutes; view of river near Cove; 1942-06-21	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-C:5	Crooked River; trib. of Deschutes; diversion dam for Cove power canal; 1942-06-21	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-C:6	Crooked River; trib. of Deschutes; headgates to Cove power canal; 1942-06-21	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-C:8	Crooked River; trib. of Deschutes; diversion dam near Princeville; 1942-06-25	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-C:10	Crooked River; trib. of Deschutes; typical section of stream near Posh.; 1942-06-25	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-C:11	Crooked River; trib. of Deschutes; typical agricultural land between Bear Creek and Paulina; 1942-06-25	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-E:1	Metolius River; one of 2 springs forming the source of the Metolius at the base of Black Butte; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-E:2	Metolius River; trib. of Deschutes; Black Butte from Santiam Highway; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-E:3	Metolius River; trib. of Deschutes; Mt. Jefferson from plateau west of Cove; 1942-06-21	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-E-3:1	Jack Creek; trib. of Metolius; upper dam in S31; T125; R9E; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-E-3:2	Jack Creek; trib. of Metolius; upper dam in S31; T125; R9E; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-E-4:1	Lake Creek; trib. of Metolius; swimming pool dam at Lake Creek Lodge; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-E-4:2	Lake Creek; trib. of Metolius; upper dam at Lake Creek Lodge; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-E-4:3	Lake Creek; trib. of Metolius; dam at outlet of Suttle Lake; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
Deschutes River and all Tributaries	21-E-4:4	Lake Creek; trib. of Metolius; powerhouse and fish ladder in dam at outlet of Suttle Lake; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives

	Deschutes River and all Tributaries	21-H:1	Squaw Creek; trib. of Deschutes; near bridge on Santiam Highway; river entirely dry because of irrigation; 1942-06-22	1942	Silver gelatin prints	Nitrate negatives
	Deschutes River and all Tributaries	21-K:1	Warm Springs River; trib. of Deschutes; view of watershed at Hot Springs; 1942-06-20	1942	Silver gelatin prints	Nitrate negatives
	Pictures Areas V, VI, VII Snake River and all Tributaries	68-JJJ:1	Spawning Area above sta. number fourteen Tucannon River; from enclosure: Tucannon River and Snake River; 1935-02-08	1935	Silver gelatin prints	Nitrate negatives

	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:8	Pack string crossing slide rock area above Ellshover Creek; from enclosure: Middle Fork Salmon-pack string crossing talus slope; Middle Fork Salmon (Id.); 1941-07-22	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:15	Middle Fork; Salmon River; Looking downstream from confl. of Camas Creek to show good spawning area; 1941-06-20	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:16	Middle Fork; Salmon River; To show spawning riffles and resting pools; from enclosure: Middle Fork Salmon spawning riffles and resting pools between Camas and Big Creek; 1941-06-21	1941	Silver gelatin prints	Nitrate negatives

	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:17	Middle Fork Salmon River; Camped on flat in rt. foreground; 1941-06-21	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:18	Lower Middle Fork Salmon River; Looking downstream; 1941-06-27	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:19	Lower Middle Fork Salmon River; from enclosure: Middle Fork Salmon looking upstream in lower Middle Fork country; 1941-06-27	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:20	Lower Middle Fork Salmon River; To show the banks; only 6000-8000 feet high; The river is somewhere down in the bottom of the hole; 6/27/1941	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:21	Confluence of Middle Fork and Main Salmon Rivers; from enclosure: Middle Fork Salmon Mouth of Middle Fork; 1941-07-10	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:22	Confluence of Middle Fork and Main Salmon Rivers; from enclosure: Middle Fork Salmon Confl. with Salmon River showing turbidity of latter; 1941-07-10	1941	Silver gelatin prints	Nitrate negatives

Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:24	Confluence of Middle Fork and Main Salmon Rivers to show turbidity of Main Salmon resulting from gold mine pollution; 1941-07-10	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:25	Looking eastward at the Bighorn Crags from the canyon rim of the Middle Fork Salmon River; 1941-06-27	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14:26	On pack trip going down Middle Fork of the Salmon River below Camas Creek confl.; from enclosure: Middle Fork Salmon View of river between Camas and big creeks; 1941-06-21	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-b:1	Confl. of Big Creek and Middle Fork of Salmon River; 1941-06-22	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e-2:1	Warm Springs Creek trib. Loon Creek (Id.); Box canyon about distance above Mahoney Creek confl.; 1941-06-24	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e-2:2	Warm Spring Creek trib. Loon Creek (Id.); Box canyon about distance above Mahoney Creek; 1941-06-24	1941	Silver gelatin prints	Nitrate negatives

Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e-2:3	Warm Spring Creek trib. Loon Creek (Id.); nine rainbows and one dolly caught by Bryant near mouth of Mahoney Creek; 1 hours fishing; 4-5pm with fly; 1941-06-23	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e-2:4	Warm Spring Creek trib. Loon Creek (Id.); Series of hot springs just above box canyon; 1941-06-24	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e:3	Bigg's Ranch at mouth of Cold Spring Creek; Loon Creek (Id.); 1941-06-27	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e:5	View down Loon Creek Valley from upper end of Falconberry Ranch; Loon Creek (Id.); 1941-07-08	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e:7	Arid section in lower Loon Creek valley; from enclosure: Loon Creek semi-arid country near mouth; 1941-07-08	1941	Silver gelatin prints	Nitrate negatives
Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e:8	Pack string on the trail Hendrick is the packer; Loon Creek (Id.); 1941-07-01	1941	Silver gelatin prints	Nitrate negatives

	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e:9	Ovey on section of trail hollowed out of cliff; Loon Creek (Id.); 1941-07-08	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e:10	Pack string going down canyon near lower end of Loon Creek; Middle Fork Salmon (Id.); 1941-07-08	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-e:11	Pack string going down canyon near lower end of Loon Creek; Middle Fork Salmon (Id.); 1941-07-08	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order	68-BBB-14-j:1	Waterfall Creek near confluence with Middle Fork Salmon River enters Middle Fork Salmon River just above Big Creek on left bank; Too precipitous for migratory fish; 1941-06-22	1941	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order		Confluence of Middle Fork and Main Salmon River. Note turbidity of main stream (2 prints)	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
	Middle Fork Salmon River and all tributaries Big Creek; Camas Creek; Loon Creek; Marble-Indian; Pistol Etc; Warm Springs Creek; Mayfield Creek; Keep in present upstream order		Confluence of Camas Creek and Middle Fork of Salmon River. (2 prints)	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
	Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:1	View downstream from big cliff above Elkhorn Creek; The riffle looks good but the nubble averages too large for good spawning area; 1941-07-22 (2 prints)	1941	Silver gelatin prints	Nitrate negatives

Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:2	Typical watershed between Loon and Cougar Creeks Broad benches are common; Middle Fork Salmon River (Id.); 1941-07-08	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:3	Middle Fork watershed between Loon and Cougar Creeks; Looking downstream from high point in trail a short distance below Cougar Creek; Middle Fork Salmon River (Id.); 1941-07-08	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:4	Looking downstream in Middle valley below Drenhoun Creek Greyhound Creek enters in background on right; Middle Fork Salmon River (Id.); 1941-07-21	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:5	Washout in small creek a short distance below Rapid River; A big pool 7 and 1/4 mile long was formed in this manner; Middle Fork Salmon River (Id.); 1941-07-17	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:6	Lower end of pool formed by washout below Rapid River; from enclosure: Middle Fork Salmon washout short distance below Rapid River; Middle Fork Salmon River (Id.); 1941-07-17	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:7	Pack train crossing bridge just above the Pystal Creek confl.; from enclosure: Middle Fork Salmon suspension bridge near Pistol Creek; 1941-07-17	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:9	Series of cascade-falls in Middle Fork above Sulfur Creek passable at low water; passable with differently at high water, according to the natives; from enclosure: Middle Fork Salmon Upstream view of Middle Fork falls; Middle Fork Salmon (Id.); 1941-07-24	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:10	Sulfur Creek falls Downstream view from house bridge at head end of falls; from enclosure: Middle Fork Salmon downstream view of Middle Fork Falls; Middle Fork Salmon River (Id.); 1941-07-24	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:12	Middle Fork Salmon (Idaho); Place just above Ramshorn Creek where Blue was pulled off the trail by Spot and rolled 30-40 feet to the big pool below; 1941-07-22	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14:13	Middle Fork Salmon (Idaho); Slim on Smokey leading Blue back across the river after the latter horse had rolled down a 30' cliff; 1941-07-22	1941	Silver gelatin prints	Nitrate negatives

Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-d:2	Indian Creek (Idaho); camp site on Indian Cr. Good fishing but hard to get in and out; 1941-07-13	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-d:3	Indian Creek (Idaho); topography of upper portion of Indian Cr.; 1941-07-14	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-d:4	Indian Creek (Idaho); Frey on Smokey leading Chief; returning from trip to headwaters of Indian Cr.; 1941-07-14	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-d:5	Indian Creek (Idaho); Bryant and Frey coming down Indian Cr. Horses are Taxi; Smokey; and Chief. Considerable section of Indian Cr. Had similar topography; 1941-07-14	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-e:1	Loon Cr. (Idaho); large beaver dam and house ca. 1 2 miles above the Loon Cr. R.S.; 1941-06-20	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-e-1:1	Loon Cr. R.S. (Idaho); Valley of East Fork Mayfield Cr. looking upstream; 1941-06-20	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-e-1:2	East Fk. Mayfield Cr. trib. Loon Cr. trib. Middle Fk. Salmon; looking downstream over a cascade section in stream; 1941-06-20	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-e-2:6	Warm Springs Creek; trib. Loon Cr. (Idaho); Bad beaver dam just above location of Parker Starup Mill. Beaver dams abundance above this point; 1941-07-23	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-e-2:7	Warm Springs Cr.; trib. Loon Cr. (Idaho); view of river valley above the Parker Starup Mill. This stretch is inaccessible to salmon because of numerous beaver dams; 1941-06-23	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-e:6	Loon Cr. (Idaho); portion of river valley below Cabin Cr. showing broad beaches which sometimes occur on slip-off slopes; 1941-06-28	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-f:1	Marble Cr. (Idaho); mistletoe injury on Douglas fir. Very common in this country. Another species on lodgepole pine; 1941-07-11	1941	Silver gelatin prints	Nitrate negatives
Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-f:2	Marble Cr. (Idaho); looking upstream into the Marble Cr. box canyon ca. 5 miles above the mouth; 1941-07-11	1941	Silver gelatin prints	Nitrate negatives

	Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-f:3	Marble Cr. (Idaho); view downstream from top of Marble Cr. box canyon; 1941-07-11	1941	Silver gelatin prints	Nitrate negatives
	Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-f:4	Marble Cr. (Idaho); typical topography below the box canyon; 1941-07-11	1941	Silver gelatin prints	Nitrate negatives
	Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-h:1	Pistol Cr. (Idaho); alluvial fan formed by washout in Thirty-two Creek. River spreads out in many small channels over the surface. Inaccessible to salmon; 1941-07-15	1941	Silver gelatin prints	Nitrate negatives
	Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	68-BBB-14-h:2	Pistol Cr. (Idaho); water angel and nest near campsite 2 1/4 miles from the mouth of Pistol Cr.; 1941-07-16	1941	Silver gelatin prints	Nitrate negatives
	Sulphur and Goat Creeks-tributaries to Cowlitz below the Cispus River	16-F-10:1	Sulphur Cr. trib. Cowlitz; 12 ft. impassable bedrock chute short distance above highway bridge; this is topped by a 6 ft. dam; 1941-04-30	1941	Silver gelatin prints	Nitrate negatives
	Main Cispus River tributary to Cowlitz	68-BBB-12:2	Idaho Power Company's diversion dam (power) on Lemhi River at Salmon (Idaho); 1941-07-08	1941	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-1:1	Alturus Lake (Idaho); 1935-09-08	1935	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-1:2	Little Red fish on spawning grounds - Alturus Lake Creek; Alturus Lake (Idaho); 1935-09-08	1935	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-1:3	Little Red fish on spawning grounds - Alturus Lake Creek - Alturus Lake (Idaho); 1935-09-08	1935	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:1	Falls on upper Red Fish Lake Creek (Idaho); 9/7/1935	1935	Silver gelatin prints	Nitrate negatives

	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:2	Big Red Fish Lake Stream (Idaho); 1935-09-07	1935	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:3	Little Red Fish Lake (Idaho); 1935-09-08	1935	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:4	Little Red Fish Lake; 1935-09-08	1935	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:5	Redfish Lake (Idaho); Burrows and Shaw; 1935-09-08	1935	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:8	Redfish Lakes (Idaho); 1935-09-08	1935	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:9	Redfish Lakes (Idaho); 1935-09-08	1935	Silver gelatin prints	Nitrate negatives
	Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:10	Showing character of watershed - Upper (Big) Redfish Lake (Idaho); 1935-09-07	1935	Silver gelatin prints	Nitrate negatives

Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:11	Big Red Fish Lake (Idaho); 1935-09-06	1935	Silver gelatin prints	Nitrate negatives
Salmon River Lakes and Tributaries (except Middle Fork) - French Creek - Lemhi; Yankee Fork; Valley Fork; etc. Big and Little Redfish Lakes; Alturus Lake	68-BBB-19:14	Big Red fish Lake Stream (Idaho); 1935-09-07	1935	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River	68-M:1	Burnt River; Unity dam; 1941-09-27 (2 prints)	1941	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River	68-M-4:1	Irrigation dam and diversion on North Fork Burnt River - at this season takes all available water remaining in stream (except for seepage); 1941-09-25	1941	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River	68-M-4:2	North Fork Burnt River; showing rock diversion dam completely across stream; diverting entire flow; except for seepage; into irrigation ditch. Barrier at low water; 9/25/1941	1941	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River	68-M-4:2	Irrigation dam and diversion on North Fork Burnt River - at this season takes all available water remaining in stream (except for seepage); 1941-09-25	1941	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River		North Fork Burnt River; showing irrigation diversion almost completely diverting flow; 1941-09-25	1941	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River		Burnt River; Unity dam; 1941-09-27	1941	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River		South Fork Burnt River; showing old dirt dam at lower end of upper reservoir; and underwater outlet from reservoir; controlled by gate operated from tower; 1941-09-28	1941	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River		Underground outlet to reservoir on South Fork Burnt River (not Unity dam but...)	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River		Reservoir on South Fork Burnt River	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River		South Fork Burnt River; looking upstream from upper reservoir dam; 1941-09-28	1941	Silver gelatin prints	Nitrate negatives

Pine Creek - Powder River - Burnt River - Imnaha River		North Fork Burnt River; showing rock diversion dam completely across stream; diverting entire flow; except for seepage; into irrigation ditch. Barrier at low water. Located at entrance to Whitman National Forest; 1941-09-28	1941	Silver gelatin prints	Nitrate negatives
Pine Creek - Powder River - Burnt River - Imnaha River		Diversion on North Fork Burnt River; 1942-07	1942	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK:1	Weiser (Idaho); Galloway dam across Weiser R. above town of Weiser. In a normal summer there is no water in the river channel below here; 1941-08-27	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-1:1	Weiser (Idaho); Crane Cr. Reservoir. The rock and earth dam of the reservoir is located just off the right edge of the picture. No spillway is provided. Lake is inaccessible to fish coming upstream; 1941-08-16	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK:2	Weiser (Idaho); Galloway dam across Weiser R. above town of Weiser; 1941-08-27	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK:5	Weiser (Idaho); Dam for mill ditch on main Weiser River above town of Weiser. Normally there is no water in this part of the river in summer. 9 c.f.s. is then diverted from the Galloway Ditch into the Mill Ditch. Ditch take-off in foreground; 1941-08-25	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-5:1	Weiser (Idaho); Siphon for Galloway Ditch flowing "under" Mann Cr. At high water when the irrigation dam below is out this siphon with its concrete apron forms a considerable barrier for steelheads and salmon; 1941-08-18	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-5:2	Weiser (Idaho); Temporary diversion dam on Mann Cr. 1300 yds. Below U.S. 95 bridge. Takes all water except ca. 1 c.f.s. which seeps through dam. Another dam 150 yds. below diverts the rest of the water leaving a dry channel for some distance. Low water barrier; 1941-08-17	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-5:3	Weiser (Idaho); Temporary diversion dam on Mann Cr. 1500 yds. below U.S. 95 bridge. This dam takes all the water (ca. 1 c.f.s.) which seeps through another dam 150 yds. upstream. Low water barrier; 1941-08-17	1941	Silver gelatin prints	Nitrate negatives

Weiser River and Tributaries	68-KKK-5:4	Weiser (Idaho); Dam and diversion on Mann Cr. just above the Harold Beecher dam. <1 c.f.s. escaping under flash boards. Pool above dam heavily covered with algae. Low water barrier; 1941-08-17	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-5:5	Weiser (Idaho); Diversion dam on Mann Cr. just above the Harold Beecher dam. <1 c.f.s. escaping under flash boards. Pool above dam heavily covered with algae. Low water barrier; 1941-08-17	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-5:6	Weiser (Idaho); Site of new irrigation dam on Mann Cr.; 1941-08-28	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-5:7	Weiser (Idaho); Site of new irrigation dam on Mann Cr.; 1941-08-28	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-5:8	Weiser (Idaho); Site of new irrigation dam on Mann Cr.; 1941-08-28	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-5:9	Weiser (Idaho); Dam and diversion on Mann Cr. just below the site of the new dam; 1941-08-24	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-5:10	Mann Cr. (Idaho); Irrigation dam and diversion just below the site for the new irrigation dam. Low water barrier; 1941-08-24	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-6:1	Weiser (Idaho); Mesa dam and ditch take-off on Middle Fork Weiser ca. 7 miles by road above U.S. 95. Low water barrier. In a normal summer the river is dry from here to the mouth; 1941-08-19	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-6:2	Weiser (Idaho); Mesa dam and ditch take-off on Middle Fk. Weiser ca. 7 miles by road above U.S. 95. Low water barrier. In a normal summer the river is dry from here to the mouth; 1941-08-19	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-6:3	Weiser (Idaho); Impassable falls ca. 25 ft. high on Middle Fk. Weiser River; 1941-08-22	1941	Silver gelatin prints	Nitrate negatives
Weiser River and Tributaries	68-KKK-6:4	Weiser (Idaho); Impassable falls ca. 25 ft. high on Middle Fk. Weiser River; 1941-08-22	1941	Silver gelatin prints	Nitrate negatives
Main Payette River and Black Canyon Dam	68-PP:1	Black Canyon dam; Payette River; 1938-08 (3 prints)	1938	Silver gelatin prints	Nitrate negatives
Main Payette River and Black Canyon Dam	68-PP:2	Black Canyon Dam; Payette River	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
Main Payette River and Black Canyon Dam	68-PP:3	Payette R. near Emmett (Idaho); 1938-08	1938	Silver gelatin prints	Nitrate negatives

	Main Payette River and Black Canyon Dam	68-PP-7-a:3	Black Canyon Dam; Payette R. (Idaho); 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Main Payette River and Black Canyon Dam	68-PP-7-a:5	Payette River; water at foot of spill; 1938-08 (2 prints)	1938	Silver gelatin prints	Nitrate negatives
	Main Payette River and Black Canyon Dam	68-PP-7-a:6	Black Canyon Dam; Payette River; 1938-08 (2 prints)	1938	Silver gelatin prints	Nitrate negatives
	Main Payette River and Black Canyon Dam	68-PP-7-a:7	Black Canyon Dam; Payette River; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Main Payette River and Black Canyon Dam	68-PP-7-a:8	Black Canyon Dam and flume; Payette R. (Idaho); 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Main Payette River and Black Canyon Dam	68-PP-7-a:9	Black Canyon Dam and Payette R. (Idaho); flume; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:1	North Fk. Payette; just above confluence with S. Fork; 1938-08 (3 prints)	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:2	North Fork Payette; near Big Eddy (Idaho); 1938-08 (3 prints)	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:3	North Fk. Payette; Near Arling (Idaho); 1938-08 (4 prints)	1938	4 X 5 Negative	Silver gelatin prints
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:4	N. Fork Payette; sandy area near Arling (Idaho); 1938-08	1938	4 X 5 Negative	Silver gelatin prints
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:5	N. Fork Payette near McCall (Idaho); good spawning riffle 5 miles below Payette Lake; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:6	North Fk. Payette; Good spawning riffle 5 miles below Payette Lake; 1938-08 (8 prints)	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:7	North Fk. Payette; Dam at outlet of Payette Lake; 1938-08 (3 prints)	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:8	Dam N. Fork Payette at McCall; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:11	North Fk. Payette; uppermost end of Payette Lake; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3:12	North Fk. Payette; uppermost end of Payette Lake; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3-a:1	Irrigation diversion; Big Creek - trib. to N. Payette; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3-a:2	Big Creek - trib. to N. Payette Dam for irrigation diversion; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3-e:1	Lake Fk. trib. N. Fk. Payette; dam above Little Payette Lake; 1938-08 (3 prints)	1938	Silver gelatin prints	Nitrate negatives

	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-3-e:2	Dam above Little Payette Lake; McCall Power Co.; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-5:1	South Fk. Payette; Grimes Pass Dam; 1938-08 (3 prints)	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-5:2	South Fk. Payette; below Grimes Pass; 1938-08 (3 prints)	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-5:3	Confluence Warm Springs Cr. and S. Fk. Payette R.; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-5:4	South Fork Payette near Grand Jean; 1938-08	1938	Silver gelatin prints	Nitrate negatives
	Payette River Tributaries (North Fork; South Fork; etc.)	68-PP-5-c:1	Deadwood River at mouth - 400 cfs; 1938-08-29 (3 prints)	1938	Silver gelatin prints	Nitrate negatives
	Unidentified Prints with Negatives	88:1	Day Lake; Shagit Co.; at mouth of inlet at east end; 1936-10-12	1936	Silver gelatin prints	Nitrate negatives
	Unidentified Prints with Negatives	88:2	Looking down Day Lake; Shagit Co.; from east end; 1936-10-12	1936	Silver gelatin prints	Nitrate negatives
	Unidentified Prints with Negatives	88:3	Looking up Day Lake; Shagit Co.; from west end; 1936-10-13	1936	Silver gelatin prints	Nitrate negatives
	Unidentified Prints with Negatives		Unmarked (4 prints)	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
	Unidentified Prints with Negatives		Unmarked	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
	Unidentified Prints with Negatives		Unmarked	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
	Unidentified Prints with Negatives		Dam (unidentified but listed on old code as on Mithon R.)	ca. 1937-1945	Silver gelatin prints	Nitrate negatives
II	Miscellaneous Prints with No Negatives Identified in Reports		Salmon River; a tributary of Big Sandy River; suitable salmon spawning area (5 prints)	ca. 1937-1945	Silver gelatin prints	
II	Miscellaneous Prints with No Negatives Identified in Reports		Lumber mill dam at Carlton (Oregon); on North Fork Yamhill River; an obstruction to migratory fish (4 prints)	ca. 1937-1945	Silver gelatin prints	
II	Miscellaneous Prints with No Negatives Identified in Reports		A shallow bedrock falls on Sharps Creek; a typical natural obstruction to fish at low water stages (5 prints)	ca. 1937-1945	Silver gelatin prints	
III	Miscellaneous Prints with No Negatives Identified in Reports		Dead chinook fingerlings in a Wenatchee River unscreened irrigation diversion ditch. Over 1800 dead fingerlings were found in this ditch on this date. A properly constructed and operated screen would have prevented this loss; 1940-07-14 (2 prints)	1940	Silver gelatin prints	

III	Miscellaneous Prints with No Negatives Identified in Reports		A rotary drum screen in a diversion ditch on the Wenatchee River. A by-pass provides passage for the fingerlings from in front of the drum screen back to the river. (2 prints)	ca. 1937-1945	Silver gelatin prints	
III	Miscellaneous Prints with No Negatives Identified in Reports	79-E:16	Excellent spawning riffles for salmon and steelhead trout in Nason Creek; a tributary of the upper Wenatchee River (4 prints)	ca. 1937-1945	Silver gelatin prints	
	Miscellaneous Prints with No Negatives Identified in Reports		Typical smooth-water section of Deschutes River above Bend (Oregon)	ca.		
IV	Miscellaneous Prints with No Negatives Identified in Reports		Diversion dam on the Crooked River; approximately 33 miles above the mouth	ca. 1937-1945	Silver gelatin prints	
IV	Miscellaneous Prints with No Negatives Identified in Reports		Power dam near the mouth of the Clearwater River at Lewiston (Idaho) (4 prints)	ca. 1937-1945	Silver gelatin prints	
V	Miscellaneous Prints with No Negatives Identified in Reports		Lower section of Grande Ronde River; looking downstream from bridge at Troy (Oregon) (2 prints)	ca. 1937-1945	Silver gelatin prints	
V	Miscellaneous Prints with No Negatives Identified in Reports		A section of the upper Grande Ronde River; to show damage to stream bed caused by mining dredge operation (6 prints)	ca. 1937-1945	Silver gelatin prints	
V	Miscellaneous Prints with No Negatives Identified in Reports		Fishway and diversion dam for the City of Union domestic water supply; on Catherine Creek (6 prints)	ca. 1937-1945	Silver gelatin prints	
V	Miscellaneous Prints with No Negatives Identified in Reports		A wire-covered rock irrigation diversion dam on Catherine Creek (6 prints)	ca. 1937-1945	Silver gelatin prints	
VI	Miscellaneous Prints with No Negatives Identified in Reports		Confluence of Camas Creek and Middle Fork of Salmon River	ca. 1937-1945	Silver gelatin prints	
VI	Miscellaneous Prints with No Negatives Identified in Reports		Black Canyon Dam; Payette River (3 prints)	ca. 1937-1945	Silver gelatin prints	
	Identified Print with no negatives	79:4	Our official means of transportation; the Lucy Ann I starts on her maiden voyage with T. A. Dawson (Asst. Biol. Aide) or the helm. Wenatchee River; opposite the mouth of the Chiwawa River; 1940-08-23	1940	Silver gelatin prints	
	Unidentified Prints with no negatives		Unmarked (low water area at base of dam)	ca. 1937-1945	Silver gelatin prints	
	Unidentified Prints with no negatives		Unmarked (man standing above fish ladder) (6 prints)	ca. 1937-1945	Silver gelatin prints	
	Unidentified Prints with no negatives		Unmarked (men standing above close-up fish ladder) (7 prints)	ca. 1937-1945	Silver gelatin prints	

	Unidentified Prints with no negatives		Unmarked (bridge over river)	ca. 1937-1945	Silver gelatin prints	
	Unidentified Prints with no negatives		Unmarked (three older gentlemen with cameras) (6 prints)	ca. 1937-1945	Silver gelatin prints	
	Unidentified Prints with no negatives		Unmarked (elaborate fish ladder near dam) (3 prints)	ca. 1937-1945	Silver gelatin prints
