

Agricultural and Resource Economics Department Records, 1909-2008 (RG 128)
Preliminary Container List

Subgroup 1 – Department Records, 1931-2006

Reel 1

I. General Subject File, 1951-1965

- 1 Foreign Visitors, 1959-1965
- 2 Staff Meetings, 1951-1959
- 3 Office of Experiment Stations, 1958-1961
- 4 School of Agriculture, Dean's Office Price, F.E., 1965
- 5 Extension – Gordon Hood, 1965
- 6 Agricultural Economics - Staff Memos, 1965
- 7 Department Heads Meeting, 1961-1963
- 8 Staff Meetings, 1963
- 9 Extension, Agricultural Economics Review, 1961
- 10 Cooney, Wilbur Tarlton (Dean, Agriculture), 1959-1964
- 11 Faculty Committee on Curricula in Agriculture, 1958
- 12 Economic Research Service, 1960-1964
- 13 Staff Meetings, 1960-1964

Reel 2 and Box 1

II. Personal and Professional Activities, 1955-1961

- G. Burton Wood Speeches and Talks, 1955-1961
- 1 *Faith, Hope and Parity*, Agricultural breakfast of Minnesota Bankers Assn., Minneapolis, Minn., June 15, 1955
 - 2 *Fertilizer, Agriculture and Economics*, Northwest Fertilizer Conference, Boise, June 29, 1955
 - 3 *A Mid-Year Look at Business*, KOAC radio talk, July 8, 1955
 - 4 *Turkey Prospects for 1955*, September 12, 1955
 - 5 *The Role of Public Forests in the Economic Development of the PNW*, Society of American Foresters annual meeting, Portland, Oct. 19, 1955
 - 6 *There's Life in the Old Girl Yet*, 1956
 - 7 *Blood in the Turnip*, Cattlemen's meeting, Pendleton, January 30, 1956
 - 8 *Prices, Profits and Prosperity*, Annual Northwest Farm Forum, Spokane, Feb. 13, 1956
 - 9 *The Politics of Agriculture*, March 20, 1956
 - 10 *Cake Talk*, May 1956
 - 11 *Farm Problems Must be Faced by All of Us*, May 15, 1956
 - 12 *Some Aspects of Agricultural Development in the Northwest*, PNW Farm Quad Conference, Spokane, May 17, 1956
 - 13 *Turkeys in the Soil Bank*, Oregon Turkey Improvement Assn. 17th annual meeting, Oregon State College, Sept. 21, 1956
 - 14 *Business and Farm Outlook for 1957*, KOAC radio talk, Jan. 11, 1957
 - 15 *Stop - Look - and Listen*, Annual Cooperative Managers Clinic, Washington State College, Pullman, March 27, 1957
 - 16 *The Politics of Agriculture*, May 9, 1957
 - 17 Editorial for *Barometer* on food prices and distribution, July 8, 1957
 - 18 *Departmental Program for Students in Agricultural Economics*, September 16, 1957
 - 19 *Turkey Market Prices for 1957*, September 16, 1957
 - 20 *Controlled Production and Support Prices vs. Free Enterprise*, September 20, 1957
 - 21 Talk presented at the 1957 OR Independent Grocer Convention, Portland, Nov. 10, 1957
 - 22 *What We Will Sell in 1965?*, Annual Agricultural Credit Conference of ABA (American Bankers Assn.?), Chicago, November 22, 1957
 - 23 *The Challenge of Progress*, Washington Cooperative Farmers Assn. District Director Nomination Meetings, Spokane, Moses Lake and Sunnyside, WA, December 4-6, 1957
 - 24 *The Challenges of Economic Change*, Annual Agricultural Staff Conference, Oregon State College, Corvallis, December 10, 1957
 - 25 *The Revolution in Agriculture and its Implications to Growers and Processors*, Western

26 Washington Horticultural Assn., Puyallup, WA, January 9, 1958
Co-ops as Your Vertical Integrator, Business Institute for Cooperatives, Salem, Oregon,
February 6, 1958

27 Lane Co. NFLA, Eugene, February 22, 1958

28 Statement for State Dept. of Agriculture, February 26, 1958

29 *Research--The Impact of a Revolution*, 6th National Farm and Ranch Congress, Denver,
March 3, 1958

30 *The Politics of Agriculture*, Corvallis Rotary Club, April 3, 1958

31 *Rust on Your Laurels*, AZ banquet, May 8; Sigma Tau, May 28, 1958

32 *Professors, Politics and Prosperity*, American Society for Engineering Education,
Oregon State College, May 9, 1958

33 *The Integration Concept*, American Feed Manufacturers Assn. Golden Convention,
Chicago, May 22, 1958

34 *That Word--Integration*, June 6, 1958

35 *Implications of Technology and Farm Adjustment for Rural-Urban Businesses*,
School of Banking, Madison, WI, August 28, 1958

36 *The Agricultural Outlook*, Oregon Bankers Assn. Outlook Symposium, Portland,
October 10, 1958

37 *Contract Farming--Old Term, New Look*, Pacific Northwest Farm Council, Portland,
October 16, 1958

38 *That Word--Integration*, Marketing seminar, Oregon State College, October 21, 1958

39 *Marketing Laws*, TV marketing series, November 3, 1958

40 *Outlook for 1959*, December 6, 1958

41 *Integration and the Feed Industry, Feedstuffs*, December 27, 1958

42 44th annual Extension Conference, University of Arizona, Tucson, Jan. 21, 1959

43 *Super Farming and the Sheep Industry*, 94th annual National Wool Growers Association,
Portland, Multnomah Hotel, January 28, 1959

44 *Super Farming--Threat or Opportunity*, 5th Brighton Agricultural Institute, Brighton, Colorado,
February 2, 1959

45 *Marketing--Your Silent Partner*, State nursery program, Oregon State College,
February 4, 1959

46 *Contract Farming--Old Term, New Look*, Pacific Northwest Farm Forum, Spokane,
February 10, 1959

47 *Three Wise Men*, Washington Cooperative Farmers Assn., Seattle, Feb. 11, 1959

48 Talk before the Washington Asparagus Growers Assn., Sunnyside, WA, March 1959

49 *Farmers in Orbit*, Nezperce Rochdale Co., Idaho, July 7, 1959

50 "Agricultural Banking--1965 Model," *Agricultural Banker*, Sept. 9, 1959

51 *The Perils of Prosperity*, October 1959

52 *Vertical Integration--Its Impact Upon the Processing Industry*, GMA Advisory Committee
Meeting, Oregon State College, October 14, 1959

53 *Where Will Today's Hatchery be Tomorrow*, Washington Poultry and Hatchery Association,
Seattle, October 29, 1959

54 *The Economic Situation and its Influence on the Poultry Industry in Oregon*, Oregon Poultry and
Hatchery Federation, Eugene, Nov. 6, 1959

55 *Reaching for the Moon*, Washington State Council of Farmer Cooperatives, Yakima,
November 12, 1959

56 *Farming is Everybody's Business*, Corvallis Kiwanis Club, Nov. 18, 1959

57 *Improving Your Game*, Oregon State Horticultural Society 74th annual meeting, Corvallis,
November 19, 1959

58 *The Perils of Prosperity*, Lincoln Bank Annual Meeting, Ocean Lake, OR, Nov. 19, 1959

59 *A Year End Look at Agriculture*, KOAC radio talk, December 11, 1959

60 *The Consumer Knows What She Wants--Do You?*, Washington Farmer's Cooperative Association
District Director's Meetings, Jan. 14-16 & 22, 1960

61 *Perils of Prosperity*, Washington Farmer's Cooperative Assn., Seattle, February 10, 1960

62 *History's Richest Harvest*, Earl Butz, Dean of Agriculture, Purdue University,
March 1960

63 "Abundance of the Harvest," *Agricultural Banker*, April 1960

64 Coos Bay Rotary program, Annual District Conference, April 11, 1960

65 *Poker, Politics, Profits, and Agricultural Banking during the 1960s*, Utah-Nevada Bankers
Association, May 21, 1960

- 66 *Vertical Integration*, statement by the Dept. of Ag. Economics for the Executive Committee of Oregon-Washington Farmers' Union, June 1960
- 67 *Cooperative Forecast for the Sixties as Seen by an Economist*, American Institute of Cooperation 32nd annual conference, University of California, Berkeley, August 8-10, 1960
- 68 *Some Credit Implications for Agriculture in the 60s*, Farm Credit Directors' Conference, San Francisco, August 11, 1960
- 69 *Lamb and Mutton Imports--Their Effect Upon the Sheep Industry*, Oregon State College Annual Sheep and Wool Field Day, Oct. 28, 1960
- 70 *The Farmer in the Sell*, Farm-City Luncheon, Los Angeles Chamber of Commerce, November 23, 1960
- 71 *Farmers in Orbit*, Oregon Seed Growers League, Portland, November 28, 1960
- 72 *The Pacific Northwest and Rural Change*, First Congregational Church, Portland, December 1, 1960
- 73 *Economic Trends Affecting the Livestock Industry*, Western Washington Livestock Conference, Centralia College, December 8-10, 1960
- 74 *Selling Your Services*, Ag. Engineering talk, Oregon State U., July 1960
- 75 *Put Your Heart In It*, National Assn. of Educational Secretaries, OSU, July 28, 1961
- 76 Appraisal Short Course, Sept. 11-15, 1961
- 77 *Marketing Agreements and Orders--Without Production Controls*, Rock Eagle, Georgia, September 12, 1961
- 78 *Our Responsibilities Abroad*, International Cooperative Seminar, Bozeman, Montana, September 28, 1961
- 79 *The Challenge: Bargaining Power for Farmers*, International Cooperative Seminar, Bozeman, Sept. 28, 1961
- 80 *Renewal in Change in Agriculture*, Town and Country Church Conference, OSU, October 9-11, 1961
- 81 *Marketing Orders and the Poultry Industry*, Poultry and Hatchers Association, Portland, October 24, 1961
- 82 *Marketing Orders and the Turkey Industry*, Oregon Turkey Growers and Allied Industries, Salem, November 7, 1961
- 83 *Integrated Agriculture--Cause and Effects*, Western Farmers Association, Spokane, November 9, 1961
- 84 Rockefeller Foundation Conference, Chicago, November 14-18, 1961
- 85 Nut Society of Oregon & Washington, McMinnville, OR, Nov. 30, 1961
- 86 Western Ag. Economics Research Council, Committee on Economics of Water Resource Development, Portland, December 4-5, 1961
- 87 All Staff Conference, December 5-8, 1961
- 88 *Marketing Orders and the Seed Industry*, Oregon Seed Growers League, Dec. 12, 1961
- 89 *Creating a Better Image for Agriculture; Accentuating Our Agreements*, Stockmen's Short Course, December 13-14, 1961

Box 1

III. Reports and Publications, 1956-2006

- Research and Extension Activities in Agricultural Economics: A Summary of Seminar Reports Presented by Members of the Research and Extension Staff in Agricultural Economics, October 30 and November 6, 1956*, 1956
- Transferring a Water Right: Generally and in Oregon*, Rodney J. Beck, 1971 (Senior Independent Research Project)
- Feasibility of Synchronizing Estrus in Pacific Northwest Beef Cow Herds*, by Emit B. Deal, 1972
- The Economics of Hatchery Production of Pacific Oyster Seed*, Kwang Hi Im; Richard S. Johnston; and R. Donald Langmo, ca. 1975 (2 pages missing from report)
- Fisherman/Processor Arrangements In Fish Meal Production*, Nophorn Bhongsvej and Frederick J. Smith, circa 1975

Through A Glassy Sea Darkly: The Economics of Limiting Entry to a Commercial Fishery, Draft Review, Bruce Rettig, circa 1975

The Demand for Pacific Oysters: A Preliminary Report, R.S. Johnston and A. N. Swartz, 1976

Improved Economic Evaluation of Commercially and Sport-Caught Salmon and Steelhead of the Columbia River, 1976 (With notes and a letter from William Brown about a peer review of the publication) (OSU Agricultural Experiment Station Special Report #463)

Marine Recreational Fishing Under Extended Jurisdiction, R. Bruce Rettig, 1977

Comment on the Economics of Fisheries Regulation: Lessons To Be Learned from Existing Programs, Bruce Rettig, 1978 (symposium paper)

Socio-Economics of the Idaho, Washington, Oregon, and California Coho and Chinook Salmon Industry, 1978 (Final report to the Pacific Fishery Management Council: Vol. 1 and 2)

Conflicts In Use of Ocean Resources, 1980 Susan Hanna, Kwang Im and Larry O. Rogers (Edit.) (With notes from Susan Hanna and James A. Crutchfield on the conference lectures and papers that were compiled and printed in this volume)

Estimated Expenditures By Sport Anglers and Net Economics Values of Salmon and Steelhead for Specific Fisheries in the Pacific Northwest, William G. Brown, Colin Sorbus and Kenneth C. Gibbs, 1980 (Report prepared for Pacific Northwest Regional Commission, contract no. 10790006)

The Economics of Natural Reproduction: Salmon-Spawning Gravel Conference. Abstract Draft, R. Bruce Rettig, circa 1980

West Coast Commercial Oyster Seed Hatcheries: An Overview, Jerry E. Clark and R. Donald Langmo, circa 1980

Structure of a Resource Dependent Economy, Willowa County, Oregon, 1983

Programs and Options For the Fishing Industry In Oregon, (Draft) 1983

Alternative Management Measures To Control Fishing Mortality With Special Reference To Some Southeast Asian Fisheries, R. Bruce Rettig, 1984 (Workshop paper: Marine Resource Economics: Southeast Asian Seas in Transition)

An Expanded OSU Extension and Research Program For Oregon's Ports, Michael Liffman, 1985

Fishing Patterns of Subfleets: Implications for Effort Monitoring in a Variable Multi-Species Fishery, Susan S. Hanna, ca. 1985

The Fishing Industry and Pacific Coastal Communities: Understanding the Assessment of Economic Impacts, Frederick J. Smith; Pacific Sea Grant College Program, 1987

Oregon's Cities and Counties in Transition: Fiscal Condition, Fiscal Decisions, Fiscal Prospects, 1992

Publications List for 1998-2000, 2001

Rural Studies Program Newsletter, April 2006

Reels 3- 24, Boxes 32-34, and Map Folder

IV. Field Reports and Surveys, 1931-1959 [identified as Series 2 on microfilm]

Materials transferred from RG 124; surveys include farm equipment and farm labor records.

Box 32

1 Land use, 1936 (AAA records) – Summary Sheets

Reel 3 [beginning of reel consists of budget and financial records (series 1)]

2 First annual report of Resettlement Administration, 1936

3 Willamette Valley Study, 1938

4 Willamette Valley Farm Organization and Farm Valuation Study, December 1938

5 Mortgage Study on Farms in Willamette Valley, 1938

6-8 Lower Powder River Valley Farm Economic Study, 1939

[Farm Organization and Financial Returns in the Lower Powder River Valley, Baker County, Oregon – Station Bulletin 406, March 1942. Farms used in this report: Farm #43 – Myrton Bennett; Farm #105 – Wilbur W. Wilson; Farm #86 – Alton Williams; Farm #100 – U.R. Weir; Farm #102 – Mrs. Leone Weir; Farm #101 – Ralph Turner]

Map Folder

- 9-13 Farm Organization and Management Plans (maps), 1936
 - 9 Oregon State Penitentiary, 1936
 - 10 Oregon State Hospital, 1936
 - 11 Oregon Fairview Home, 1936
 - 12 Oregon State Tuberculosis Hospital, 1936
 - 13 Oregon State Industrial School for Girls, 1936

Reel 4

- 13 Lower Powder River Valley Farm Economic Study, 1939 (continued)
- 14 Hop Cost Study, 1935-1936
- 15 SERA Subsistence Homestead Survey, 1934
- 16 Walnut Enterprise Study, 1931
- 17 Costs and Practices in Producing Honey in Oregon 1931-1932, 1939
- 18 Willamette Valley Farm Organization and Farm Valuation Study, 1939
- 19 Vetch and Austrian Winter Field Peas Cost Study, 1940
[Includes publication: *Cost and Efficiency in Producing Hairy Vetch and Austrian Winter Field Peas in Western Oregon*, Station Bulletin 415, November 1942]
- 20 Economic Effect of Soil Erosion on Wheat Yields in Eastern Oregon, 1940
[Includes publication: *Economic Considerations in Planning for Soil Conservation on the Chehalem Mountain Project, Oregon*, Station Circular 156, November 1943]
- 21 Hairy Vetch Cost Summary, 1940

Reel 5

- 22 Peas Cost Summary, 1940
- 23 Power Equipment – Peas and Vetch Study, 1940
[Includes publication: *Cost of Operating Power Equipment on Oregon Farms*, Station Bulletin 409, June 1942.]
- 24 Common Vetch Cost Summary – Wheat A & B Cost Summary 1940, 1942
[Includes Benton, Clackamas, Lane, Douglas, Marion, Polk, Washington, and Yamhill Counties.]
- 25 Harvest Man Labor Requirement Study, 1943
[Provides harvester's history and units harvested, including county, age, and sex. Also includes data regarding crop, operator, and comments (by class of worker, age and sex).]
- 26 Orchard Cost Study – Apples, 1944 (Field Record Sheets – Bulletin 429)
- 27 Orchard Cost Study – Pears, 1944 – Field Records (Bulletin 429)

Reels 5-6

- 28 Farm Analysis, 1940-1946
[Includes financial summaries, tax information, inventories, crop records, and a TVA Phosphate Demonstration Study, 1940.]

Reel 6

- 29 Sweet Cherry Cost Study, 1946
[Sweet cherries (for processing) cost study of 93 orchards in the Willamette Valley and The Dalles; part of Sweet Cherry, Pear, and Apple Cost Summary, 1943-1946.]
- 30 Blackcaps Berry Cost Summary, 1947
[Includes Linn, Clackamas, Washington, and Yamhill Counties.]
- 34 Red Raspberries Cost Summary, 1947
[Includes Clackamas, Linn, Marion, Multnomah, Polk, Washington, and Yamhill counties. Also includes personal observations by surveyors.]
- 31 Loganberries Berry Cost Summary, 1947
[For Marion, Washington, Multnomah, and Polk Counties.]

Reels 6-7

- 32 Cost of Producing Strawberries for processing, 1947
[For Marion, Washington, Multnomah, Polk, Yamhill, and Linn Counties.]

Reel 7

- 33 Boysenberry Cost Summary, 1947
[Includes the publication: *Cost of Producing Boysenberries and Loganberries for Processing in the Willamette Valley, Oregon*, Station Bulletin 470, November 1949.]
- 35 Willamette Valley Forage Study Summary Sheets, 1948
[Includes cost of establishment and production.]
- 36 Willamette Valley Forage Sheets and Pasture Study, 1948

Reels 7-8

- 37 Economic Pasture Study, Willamette Valley, Oregon, 1948

Reel 8

- 38-39 An Economic Study of the Production of Grass Seed in the Willamette Valley, 1948
[Individual office summaries; includes list of farms that participated by name and address with number assigned to the farm.]
- 39 Forage Seed Cost Study, Willamette Valley, 1938
[Includes names of farms along with county, address, and soil class as well as number assigned to the farm.]
- 40 1948 Grass Seed Study – Chewing Fescue
- 41 1948 Grass Seed Study – Alta Fescue (solid) [Includes farm analysis and data.]
- 42 1948 Grass Seed Study – Alta Fescue (rows) [Includes farm analysis and data.]
- 43 1948 Grass Seed Study – Red Creeping Fescue [Includes farm analysis and data.]
- 44 Corvallis Land Classification Conference, May 1950
[Reprinted from *Land Economics*, v. 26, no. 2]

Reels 8-9

- 45 Apple Pear Study – Hood River Valley Correspondence, 1953-1958
[List of cooperators in the Hood River Apple and Pear Cost Production Study, 1947-1956. Includes correspondence with the individual farm owners that participated in the study and publication: *Cost of Producing Apples and Pears in the Hood River Valley, Oregon, Progress Report II*, by D. Curtis Mumford and Arthur E. Irish.]

Reel 9

- 46-50 Cost of Producing Apples and Pears in the Hood River Valley, 1947-1956
- 46 1947-1948
- 47 1947-1950
- 48 1951-1952
- 49 1953-1954
- 50 1955-1956
- 51 Apple Pear Study, 1947-1956 [Reports from farms #1 - #193 (incomplete).]
51a -d Farms #1-4

Reels 9-10

- 51e Farm #8

Reel 10

- 51f-1 Farms #11-17

Reels 10-11

- 51m Farm #20

Reel 11

51n-x Farms #21, 24-26, 28, and 30-34

Reel 12

51y-ll Farms #36-47, 50, 52, and 54

Reels 12-13

51mm Farm #56

Reel 13

51nn-jjj Farms #57, 60-73, 75-76, 80-82, and 84-86

Reels 13-14

51kkk Farm #87

Reel 14

51lll-ooo Farms #90-93

52 Sprinkler Irrigation Study, 1950 – Office Sheets

53 Sprinkler Irrigation Study, 1950 – Field Schedules

54 Sprinkler Irrigation Study, 1950 – Irrigation Sheets

55 Sprinkler Irrigation Study, 1950 – Sorts, Tabulations, Diagrams

56a-b Sprinkler Irrigation Study – Willamette Valley, Oregon, 1950 (Work Sheets and Summary)

Box 32

56b Sprinkler Irrigation Study – Willamette Valley, Oregon, 1950 – Worksheets (summary)

Reel 14

57 Irrigation Study (Black and Nairn), 1954-1955 (Work Sheets and Tables)

58 Irrigation Manuscript – First Draft and Comments, 1953

Reels 14-15

59 Irrigated Pastures – Field Records, 1948

Reel 15

60 Irrigated Pastures – Worksheets for Animal Utilization of Pastures, 1948

61 Irrigated Pastures – Office Sheets, 1948

62 Non-Irrigated Pastures – Office Sheets, 1948

63 Non-Irrigated Pastures – Work Sheets for Animal Utilization of Pastures, 1948

64 Sprinkler Irrigation Study, Willamette Valley, Code Sheets, 1950

Reels 15-16

65 Production, Price, and Cost Relationships in Finishing Cattle and Lambs for Market on Oregon Farms – Feed Sheets and Field Schedules, 1943-1954

Reel 16

66 Production, Price, and Cost Relationships in Finishing Cattle and Lambs for Market on Oregon Farms – Final Analysis, 1943-1954

67 Hedging Study

68 Hedging Study (Worksheets)

69-70 Significance of Quality Loss in Marketing Early Idaho-Oregon Potatoes, Potato Study, 1950

71 Small Fruits Study, 1947

72 Walnut and Filbert Cost Study, 1949 (Summaries and Office Sheets)

Reel 17 and Map Folder (oversize worksheets)

73 Walnut and Filbert Cost Study, 1949 (Field Schedules and Equipment Cost Worksheets)

Reel 17

74 Field Schedules for Filberts

75 Field Schedules for Walnuts

76 Grass and Forage Study

Reel 18

77-80 An Economic Study of the Production of Grass Seeds in the Willamette Valley Schedules, 1948

77 Common Rye Grass

78 Perennial Rye Grass

79 Highland Bentgrass

80 Individual Office Summaries

81 Cost of Producing Eggs in Western Oregon, 1950-1951 (Field Schedules and disregarded Field Schedules)

82 Cost of Producing Eggs in Western Oregon, 1950-1951 (Office Work Sheets)

Reel 19

83 Cost of Producing Eggs in Western Oregon, 1950-1951 (Summaries and Office Work Sheets)

84 Cost of Producing Eggs, 1950-1951 (Work Sheets)

85 Preliminary Egg Study, 1949-1951

86-87 Cost of Producing Turkey Hatching Eggs, 1949 (Field Schedules)

88 Cost of Producing Turkey Hatching Eggs, 1949 (Office Sheets and Summaries)

89 An Economic Study of the Cost of Producing Market Turkeys in Western Oregon, 1949 (Individual Office Summaries)

Reel 20

90-94 An Economic Study of the Cost of Producing Market Turkeys in Western Oregon, 1949

90 Individual Office Summaries

91 Analysis Sorts

92-94 Field Schedules

95 Broiler Cost Study, 1952

96 Cost of Producing Pullets, 1951

Reels 20-21

97 Consumption Record – Electric Power, 1943-1952

Reel 21

98 Costs of Retailing Milk in the Portland Area, 1950

99-100 Costs of Distributing Milk in the Portland Market, 1950

Boxes 33-34

100 Costs of Distributing Milk in the Portland Market (published as Station Bulletin 510 in 1952 by Korzan, Davis, and MacPherson). Data sheets in 4 files.

Reel 21

101-2 Oregon State College Department of Farm Management – Regional Factors in National Planning, 1939-1944

103-4 Oregon State College Farm Income Study, 1948

103 Field Schedules for General Farms

104 Field Schedules for Grass Seed Farms

Reels 21-22

105 Land Use Study, 1949-1952 (Field Schedules)

Reel 22

- 106 Land Use Study, 1949-1952 (Work Sheets, Tables, and Graphs)
107 A Study of the Cost of Producing Vegetables for Processing in Willamette Valley, Oregon, 1947 (Description of Study)
108 Cost of Producing Pole Beans, 1948
109 Cost of Producing Table Beets, 1949
110 Cost of Producing Carrots, 1949
111 Cost of Producing Sweet Corn, 1949

Reels 22-23

112 Cost of Producing Carrots, Table Beets, Pole Beans, and Sweet Corn in the Willamette Valley, Oregon, 1949

Reel 23 and Box 32

113 Project 484 – Office Worksheets – Livestock (hogs), 1935-1959 [Virgil Norton, E.N. Castle, Sitton]

Reel 23

- 114 Power Equipment – Berry Study, 1947
115 Power Equipment – Beet Study, 1946 and Walnut and Filbert Study, 1949
116 Dairy Farm Structures Project – Department of Agricultural Economics, Oregon State College, 1951-1952

Reels 23-24

117 Member Attitude toward cooperatives, 1950-1952 (Field Schedules Questionnaire #132)

Reel 24 and Box 32

118 Member Attitude Toward Cooperatives, 1950-1952 [Published as Station Bulletin 509, January 1952 by Korzan.]

Reel 24

- 119 Questionnaires of Costs and Services Rendered at Feeding Mixing Plants, 1953
120 Power Equipment Analysis – Willamette Valley Study, 1938

Reel 24 and Box 33

121 Willamette Valley Study, 1938 (Office Sheets). Published as Bulletin 444, February, 1947 by Davis and Mumford.

Reel 24

- 122 Willamette Valley Farm Organization and Farm Valuation Study, 1938
123 Lower Powder River Valley Farm Economic Study – Baker County, Oregon, 1939

Box 32

Emergency Farm Labor Program, 1943
Youth pickers of beans and cane fruit - charts and graphs

Box 33

Baker Study (Lower Powder River Valley?); Year ending May 31, 1939

Subgroup 2 – Western Rural Development Center Records, 1970-1999

Box 1

Plans of Work, 1987-1997

Guidelines and Memoranda, 1970-1973

Family Community Leadership, 1983-1986 [proposal and final report]

Review Report, 1995

Box 2

Northwest Service Academy (NWSA), 1993-1995

Box 3

Northwest Service Academy (NWSA), 1993-1995

National Rural Studies Committee, 1988-1995

Pathways from Poverty, 1995-1996

Kellogg Foundation Proposal, 1979

Subgroup 3 – Oregon Agricultural Information Network (OAIN) Records, 1909-2008

Access to data files for the most recent 30 years (1980 to present, as of preparation of this finding aid in early 2010) is subject to review by the Archives staff because of data for individual farms or businesses.

Boxes 4-21
