

## **Series Outline**

Series I. Project Proposals, 1969-1976

Series II. Project Administration, 1971-1977

Series III. Project Implementation, 1972-1977

Series IV. Project Reports, 1972-1981

Series V. Papers and Studies, 1973-1976

## Detailed Description of the Collection

### Box

#### Series I. Project Proposals, 1969-1976

- 1 Rockefeller Grant Proposal, 1969-1972
- 1 Rockefeller Foundation, initial proposal, May 1971
- 1 "Global Systems Analysis and Simulation (GLOSAS) of Energy, Resources, and Environmental (ERE) Systems", 1973?
- 1 Rockefeller Foundation, 4 post-doctoral fellowships, June 1973
- 1 National Science Foundation Research Applied to National Needs (RANN), October 1973
- 1 Rockefeller Foundation, interdisciplinary fellowships, December 1973
- 1 National Science Foundation RANN, February 1974
- 1 National Science Foundation. "Macro-Dynamic Modelling of Open Regional Economies", February 1974
- 1 National Science Foundation Land Use Proposal (old), 1974?
- 1 Rockefeller Foundation, third year funding, March 1974
- 1 Rockefeller Foundation, International Center for Aquatic Resources Management, May 1974
- 1 Rockefeller Foundation, "Historical and Descriptive Study of a Multidisciplinary Research Program", August 1974
- 1 Pacific Northwest Regional Commission, "Participation of the Public Utilities Commissioner (PUC) in the Implementation of the Oregon State Simulation Model (OSSIM)," November 1974 and modified draft, 1975?
- 1 National Science Foundation - Land Use, 1974-1975
- 1 National Science Foundation, "Equity Considerations and Compensation Techniques as Related to Increased Public Control of Land Use", December 1974
- 1 Pacific Northwest Regional Commission Energy Proposal, 1975
- 1 Rockefeller Foundation, project termination, April 1975
- 1 Ford Foundation, Natural Resources Policy Fellowship Program, 1976
- 1 Pacific Northwest Regional Commission, "Implementation of the Oregon State Simulation Model", June 1976

### Box

#### Series II. Project Administration, 1971-1977

- 1 Budget Information, 1971-1977
- 1 Bardsley & Haslacher, Inc. contract, 1974
- 1 Advisory Council, 1974-1975
- 1 Executive Committee, 1973-1975
- 1 Pacific Northwest Regional Commission correspondence and financial reports, 1975-1977
- 1 Battelle correspondence and reports, 1974-1976
- Correspondence
  - 1 Warren Devine, 1974-1976
  - 1 Memos to file, 1972-1976
  - 1 Miscellaneous, 1974-1976
- 1 Rockefeller general, 1973-1974
- 1 Project personnel, 1972
- 1 Office space, 1976
- 1 Mailing list information, 1975-1976
- 1 Project termination, 1974-1976
- 1 Advisory Council Chair's and Project Director's (E.N. Castle's) Notes and Records, 1972-1974

#### Series III. Project Implementation, 1972-1977

Willamette Simulation Unit

- 1 Demographic Component
- 1 Research materials
- 1 Report drafts (3 folders)
- 2 Economic Component
- 2 Forest Products Sector research materials
- 2 Manufacturing Sector research materials
- 2 Services Sector research materials
- 2 General research materials
- Land Use Component
- 2 Research materials
- 2 Report drafts
- Energy Component
- 2 Energy Fair, April 1977
- 2 Report draft (final version)
- Pollution Component
- 2 Department of Environmental Quality, 1975
- 2 Air Quality, 1972-1974
- Transportation Component
- 2 Research materials
- 2 Report draft (final version)
- Government Revenue Component
- 2 Political institutions
- 2 Quality of Life, 1972-1975
- 2 Household model, July 2, 1973
- 2 Other sub-models, 1972-1973
- 2 Model critiques, 1974-1975, 1980
- 2 Plots, 1975-1976
- 2 Chapter 10 rough draft
- 2 Data tables used in thesis (Calligan?) but not included in thesis (for final report)
- OSSIM Users Advisory Group
- 2 Correspondence, 1975-1976
- 2 Growth/No Growth Scenarios, Round 1, December 18, 1975
- 4 OSSIM output samples, 1975-1977 (apx 12x17 in.)
- 2 OSSIM general, 1972-1977
- 2 Liaison, 1974-1976
- 2 Salishan seminar, April 1976
- 2 Investigation Units A-C miscellaneous research materials

**Box****Series IV. Project Reports, 1972-1981**

- 2 Progress report, 1 Feb 1973
- 2 Progress reports, July 31, 1972 and February 1, 1973
- Willamette Simulation Unit
- 2 Progress reports, February, Sept and December 1973
- 2 Interim report and related correspondence, Nov 1974
- 2 Progress report, "Equity Considerations and Compensation Techniques as Related to Increased Public Control of Land Use", May 15, 1975
- 2 OSSIM special report, August 12, 1975
- 2 OSSIM final report documentation, 1974-1976
- 2 Final report and related correspondence, 1975-1981
- 2 *Simulating Oregon's Future Electrical Energy Demand*, 1977 [Final report of projects funded by the Pacific Northwest Regional Commission and published as *Engineering Experiment Station Bulletin 54.*]

**Box****Series V. Papers and Studies, 1973-1976**

- 3 State Population Policies: Conflict and Choice , R. Kenneth Godwin & W. Bruce Shepard, 1974?
- 3 Energy in the Oregon Economy: A Systems Simulation , Warren D. Devine Jr., April 1974
- 3 Self-Consistency in Estimating Future Electrical Energy Consumption , W. D. Devine Jr., C. C. Calligan, O. D. Osborne, October 1975
- 3 Growth vs equilibrium, or growth and equilibrium , George B. Carson Jr., undated
- 3 Transportation energy Conservation and Environmental Impact , Robert D. Layton, undated
- 3 Papers in progress, 1975-1976
- 3 Miscellaneous project publications, 1974-1976
- Project studies
  - 3 Population policies available to the State of Oregon, Kenneth Godwin, August 1973
  - 3 Thoughts for the energy crisis: The economics of insulation and heating systems in typical Willamette Valley homes, James B. Fitch, Jan 1974
  - 3 Migration and Oregon -- 1970: Patterns and Implications, Arnold G. Holden & W. Bruce Shepard, May 1974
  - 3 Income Distribution Patterns in Oregon: A Comparison of Oregon Counties Through Time, Fitch & John E. Schefter, Nov 1974
  - 3 State Land Use Policies: Winners and Losers, Godwin & Shepard, November 1974
  - 3 Land: Its Use and Abuse in Oregon, 1848-1910, William Robbins, December 1974
  - 3 The Early Conservation Movement in Oregon, 1890- 1910, Robbins, April 1975
  - 3 The Population of Oregon, 1940-1970, Hans Plambeck, May 1975
  - 3 Migrants in Three Willamette Valley Towns: Why They Move and How They Adapt, John A. Young, July 1975
